THE COLLEGE

STATEMENT OF BELIEF

Nazarene Bible College, an institution of the Church of the Nazarene, teaches and adheres to the statement of belief as found in the *Manual* of the Church of the Nazarene.

We believe:

1. In one God – the Father, Son, and Holy Spirit.
2. That the Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.
3. That man is born with a fallen nature and is, therefore, inclined to evil, and that continually.
4. That the finally impenitent are hopelessly and eternally lost.
5. That the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.
6. That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.
7. That the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.
8. That our Lord will return, the dead will be raised, and the final judgment will take place.

HISTORY

The General Assembly of the Church of the Nazarene, in session at Portland, Oregon, in June 1964, authorized the opening of Nazarene Bible College during the following quadrennium. A board of trustees was elected, and Dr. Charles H. Strickland was chosen as the first president. To serve a nation-wide church, Colorado Springs was chosen as the site for the college.

The college opened in September 1967 in facilities provided by First Church of the Nazarene. New buildings at the permanent location were occupied by the end of the first school year, and the new campus was dedicated in October of 1968. Dr. L. S. Oliver, chosen in 1972 to succeed Dr. Strickland as president, served until 1984 when Dr. Jerry D. Lambert was elected. In 1994, Dr. Hiram E. Sanders was elected fourth president of Nazarene Bible College and served until his retirement in 2006. Dr. Harold B. Graves, Jr. was elected and assumed his position as fifth president of the college in 2006.

PURPOSE

Nazarene Bible College exists to glorify Jesus Christ as Lord by preparing adults to evangelize, disciple, and minister to the world.

MISSION

Nazarene Bible College is an undergraduate, professional school of Christian ministry committed to academic and practical programs designed to educate students for service and leadership in a diverse world.

Founded and sponsored by the Church of the Nazarene, the college has a unique place among the institutions of higher learning in the denomination. The college provides ministerial preparation for a diverse community of adult learners primarily within the United States through traditional and innovative delivery systems. Service and Mission

We prepare students to engage in practical ministry. We value the demonstration of leadership and servanthood to meet the spiritual and social needs of our world. We encourage interdependence with local churches and diverse ministry contexts where our students can utilize their gifts and graces for service to the church and to the world.

EDUCATIONAL OBJECTIVES OF THE COLLEGE

GOVERNANCE

Nazarene Bible College is an educational institution of the Church of the Nazarene. Its role is determined by the denomination through its official representatives, and the college is directly governed by a board of trustees elected by the General Assembly of the church for a four-year term.

The board of trustees consists of the president of the college and three members from each educational region of the Church of the Nazarene within the continental United States. Of these members, there is one district superintendent, one pastor, and one layperson from each educational region. Where no members from the Native American, Hispanic, or African-American communities have been elected by the General Assembly, the president of the college selects one member to the board from each community.

CAMPUS LOCATION

The 43-acre campus is located on a hill northeast of Academy and Fountain Boulevards in Colorado Springs, Colorado. This fast growing area encompasses a population of 500,000 and is situated on the eastern slopes of the Rocky Mountains. Colorado Springs is the home of several military installations: the United States Air Force Academy, the North American Aerospace Defense Command (NORAD), Peterson Air Force Base, Schriever Air Force Base, and Fort Carson.

Over 70 Christian organizations have headquarters in Colorado Springs including Navigators, Young Life, International Students, Compassion International, Christian Booksellers Association, Focus on the Family, International Bible Society, and the Christian and Missionary Alliance Church.

Eighteen Nazarene churches serve the people of this area and provide opportunities for Christian service.

SPECIAL STUDENTS

Some individuals do not wish to pursue a degree, but may wish to take classes at Nazarene Bible College for a special, specific purpose such as meeting degree requirements for another institution, completing a few classes needed for personal development, or to meet the educational requirements for teacher certification or ordination in the Church of the Nazarene. Such persons will be considered for admission as a special student with the following criteria to be followed for admission.

1. Application: applicants for special student status will follow the same procedure as outlined in number one (1) under Admission and Enrollment.

ADMISSION STATUS

Conditional acceptance may be available to persons with exceptional circumstances. Students will only be allowed to take classes for one trimester with a conditional acceptance. Contact the vice president for enrollment and student development for further information.

Because admission is a privilege rather than a right, the college can request that a student withdraw when reasons warrant such action. Students are responsible for observing all regulations and standards of conduct.

TRANSFER CREDITS

Transfer credit is accepted from accredited institutions of higher learning for subjects appropriate to the curricula of the NBC programs. All applicants who have attended other colleges or universities are required to have all official transcripts mailed directly by the issuing school(s) to the vice president for enrollment and student development or the registrar. In addition to the transcript, it is sometimes necessary to provide a catalog, course descriptions, or other

documentation from the former college or university to help determine the content and applicability of a class. The registrar will evaluate the transcript and award applicable transfer credit(s). *Note: Transcript evaluations will not be completed until application has been made to NBC and all transcripts received. Credit will only be considered for "C" grades or above.*

Provisional credit may be granted from certain unaccredited institutions. Provisional credit will be fully accepted after an evaluation of the unaccredited institution, evaluation of the coursework for the courses under consideration, and successful completion by the student of 32 semester hours of work at NBC with a minimum 2.0 GPA.

Transfer credit may be accepted for English requirements subject to satisfactory scores on the English Proficiency Examination. No English credit will be accepted for students with proficiency scores below NBC English department standards. Students entering the college who have already earned a baccalaureate or higher degree at an accredited institution are not required to complete the English testing requirement.

Transfer Credit Acceptance for the Christian School Education Concentration

1. ***Applicants with a bachelor degree from an accredited institution who do not want another degree:*** No transfer of credit is required. Though no degree will be granted, a certificate of completion will be awarded upon completion of the 36 hours specific to the Christian School Education concentration.
2. ***Applicants with a bachelor degree from an accredited institution who desire to earn the Bachelor of Arts in Ministry with a major in Christian Educational Ministries, Christian School Education concentration:*** Nazarene Bible College reserves the right to evaluate the substance of the degree. Students will be required to complete the 36 hours specific to the Christian School Education concentration and any of the remainder of 30 hours of Bible and theology. NBC will accept the previous degree as satisfying 45 hours of the general studies requirements and any number of other courses necessary to accomplish the minimum number of electives. Additionally, NBC will accept any Bible and theology courses toward fulfillment of the required 30 hours of Bible and theology.
3. ***Applicants with 92 hours or more from an accredited institution:*** Students will follow the policy in 2 above except that the general studies courses taken at a previous college must be equivalent to those of Nazarene Bible College.
4. ***Applicants with less than 92 hours from an accredited institution:*** Students will transfer in as many electives, Bible and theology courses, and equivalent general studies courses as the standard Nazarene Bible College policy allows. Students would be required to complete any remainder of 30 hours of Bible and theology and complete the 36-hour Christian School Education concentration requirements.

Transfer Credit for District Programs

Nazarene Bible College does not accept credits from the denomination's Directed Studies Program (Home Course of Study), the Modular Course of Study, or Christian Service Training courses.

ADMISSION TO THE CHRISTIAN COUNSELING PROGRAM

Acceptance to the Clinical Year

The Bachelor of Arts in Ministry with a major in Christian Counseling includes a clinical year of 32 semester hours which culminates in a 200-clock-hour internship. Additionally, the three-hour course, Global Evangelism, is required in the major beyond the clinical year (see program requirements on page 72). Students who have completed approximately 75 semester hours of college work may begin an application process that includes the following requirements: a 3.0 GPA; an autobiographical/goals statement; the Minnesota Multiphasic Personality Inventory (MMPI); educational foundations that include at least 6 semester hours of Bible/theology and 3 semester hours of psychology/behavioral sciences; and, an interview with the counseling faculty. Acceptance to the clinical year is by decision of the counseling faculty. Admission to Nazarene Bible College and completion of previous college work do not imply acceptance to the clinical year.

Stop-outs and Re-acceptance

Students accepted to the clinical year become a cohort, begin in the fall, and are expected to continue through completion of the Christian Counseling clinical program at the end of the following summer. Any student desiring to stop-out of the clinical year must ask consent of the counseling faculty in writing, giving reasons for the request. If, in the judgment of the faculty, a stop-out is granted, the faculty will advise the student of any corrective and therapeutic measures to take that will enable her or him to have an opportunity for reconsideration for acceptance to the following clinical year. In order for the student to be reconsidered for acceptance into a later cohort, he or she must petition the Academic Council and the counseling faculty in writing, addressing the issues raised by the faculty in its consent and demonstrating ability to finish the clinical year. If accepted, he or she would be expected to complete the remainder of the 32 hours. A stop-out will be for no more than one academic year, and only one stop-out will be granted per student.

Acceptance to Internship Placement

During the spring trimester of the clinical year, the counseling faculty will review each student's progress prior to approval for placement in a summer internship. Internship placements will depend upon satisfactory completion of coursework, positive contributions to group process, and personal readiness for clinical assignment. If, in the judgment of the faculty, a student has not demonstrated such readiness, he or she will be denied an internship placement. In such cases, the faculty will advise the student of any corrective and therapeutic measure to

take that will enable her or him to have an opportunity for reconsideration for internship.

Acceptance of Transfer Credits

- 1. Applicants with a bachelor degree from an accredited institution who do not want another degree:** No transfer of credit is required. Though no degree will be granted, a certificate of completion will be awarded upon completion of the 32 hours in the clinical year of the Christian Counseling major.
- 2. Applicants with a bachelor degree from an accredited institution who desire the Bachelor of Arts in Ministry with a major in Christian Counseling:** Nazarene Bible College reserves the right to evaluate the substance of the degree. Students will be required to complete the 32 hours in the clinical year of the Christian Counseling major and any of the remainder of 28 hours of Bible and theology. NBC will accept the previous degree as satisfying 45 hours of the general studies requirements and any number of other courses necessary to accomplish the minimum number of electives. Additionally, NBC will accept any Bible/theology courses toward fulfillment of the required 30 hours of Bible and theology.
- 3. Applicants with 93 hours or more from an accredited institution:** Students will follow the policy in 2 above except that the general studies courses taken at a previous college must be equivalent to those of Nazarene Bible College, and students must complete the 35 hours of the Christian Counseling major (32 hours in the clinical year plus the course Global Evangelism).
- 4. Applicants with less than 93 hours from an accredited institution:** Students will transfer in as many electives, Bible and theology courses, and equivalent general studies courses as the standard Nazarene Bible College policy allows. Students will be required to complete any remainder of 30 hours of Bible and theology and complete the 35 hours in the Christian Counseling major.

CATALOG RIGHTS STATEMENT

COURSE DELIVERY SYSTEMS

Nazarene Bible College provides preparation for ministry through two important delivery structures—the traditional on-campus classes and an innovative system of online courses.

On-Campus Programs

All degree programs, as well as diploma and certificate programs, are offered in the traditional classroom delivery system for students in the Colorado Springs area except the Christian Educational Ministries, Christian School Education concentration and the Module Plus Program. This delivery structure has the benefits of a community of scholars, immediate use of library and learning resources, networking with denominational leadership, regular chapel services, face-to-face instructional methods, and other aspects of traditional college life. The on-campus educational experience is the primary and foundational educational structure of Nazarene Bible College.

Online Programs

All degree programs are offered through the online delivery system except Music Ministries and Christian Counseling. This delivery structure has the convenience of anytime/anywhere learning, electronic library and learning resources, the experience and academic qualifications of the Nazarene Bible College faculty, and exposure to a host of practitioner instructors. The college offers a strong schedule of courses in such a cycle that all courses necessary for these degrees are offered each year. Students must have adequate computer equipment and sufficient skills to be able to receive instruction through this medium. This program has equivalent curricula to the on-campus programs and has the benefit of convenience. When appropriate, this *Catalog* will note any differences between the programs in terms of requirements, prices, procedures, policies, etc.

All online students must complete a two-week software/policy orientation before taking any online classes. Online students will be limited to one online course in their first online session. No student may take more than two online classes in one session.

ATTENDANCE POLICY

Because a Nazarene Bible College education assumes that significant learning takes place in the campus classroom and the virtual classroom, regular class attendance is required.

Attendance Policy for On-Campus Courses

Students are required to participate in the campus classroom regularly throughout the term of the course. Any absences may result in the loss of points as detailed in the class syllabus.

Typically, a three-hour class meets once each week for 11 weeks. Each weekly class is composed of two periods for a total of 22 periods per trimester. Missing more than two regularly scheduled class periods in a term will result in the reduction of one grade step (e.g., "B" to "B-"). Similarly, another grade step reduction will occur after missing more than four periods. Any student missing more than six periods of a class will be given a grade of "F".

Attendance Policy for Online Courses

Students are required to attend the virtual classroom at least five out of seven days each week. Any absences may result in the loss of points as detailed in the class syllabus.

Two missed required days of attendance in any given week or four missed required days of attendance during the six-week course will result in the reduction of one grade step (e.g., "B" to "B-"). No credit and a grade of "F" will be given after a student misses more than a total of nine required days of attendance in a class or if a student fails to attend in any given week.

Failure to attend class, both on campus and online, will not constitute withdrawal. Tuition will not be refunded and grades will be recorded as "F" for a student who stops attending class without going through the formal withdrawal process.

RESIDENCE REQUIREMENT

Residency is defined as classes taken at NBC either on the campus in Colorado Springs or through the online program. At least 50% (64 hours) of the hours required by any ministries degree program must be earned in residence. Students with a baccalaureate or higher degree enrolling in the Christian Counseling major must complete 25% of the required hours for that major in residence. A minimum of 75% of non-degree programs must be completed in residence for the granting of a diploma from NBC.

REPEAT POLICY

Students may repeat courses. When courses are taken more than once, only the highest grade is included in the calculation of the grade point average.

GRADING SYSTEM

Numerical values (grade points) are assigned to letter grades and recorded on the student's transcript as follows:

A = 4.0	B = 3.0	C = 2.0	D = 1.0
A- = 3.7	B- = 2.7	C- = 1.7	D- = 0.7
B+ = 3.3	C+ = 2.3	D+ = 1.3	F = 0

"W" (withdraw) and "I" (incomplete) are not included in the calculation of grade point averages.

Change of grade: After a final grade has been submitted or an incomplete "I" has changed to a letter grade, a change of grade may be made only if it is demonstrated that a computational error was made. **Students may not dispute**

a grade if more than 60 days have passed since the grade was submitted to the registrar.

REGISTRATION

The registrar will instruct all students in registration procedures. Students will be assigned an academic advisor (online) or faculty advisor (on campus) to help plan course work and provide encouragement. Any changes in registration, including schedule changes in day or night classes, must be made through the Registrar's Office. The last day to add a campus class is one week after that class first meets. A \$15 fee will be assessed for late registration.

Online classes may not be added after the third day of online classes.

NON-DISCRIMINATION POLICY (TITLE IX)

Nazarene Bible College subscribes to the principles and laws of the State of Colorado and the federal government pertaining to civil rights and equal opportunity, including Title IX of the Education Amendment of 1972. Nazarene Bible College policy prohibits discrimination on the basis of race, sex, religion, age, color, national or ethnic origin, marital status, or handicap in recruitment and admission of students, scholarship and loan programs, and in the operation of all college-administered programs, activities, and services.

The college has designated the vice president for finance as the Title IX coordinator. Evidence of practices inconsistent with the college's non-discrimination policy should be reported in writing to the Title IX coordinator who will evaluate the inconsistencies and take appropriate action. Should the complainant be dissatisfied with the resolution of the matter as determined by the Title IX coordinator, the complainant may submit a written report to the president of the college. The decision of the president in the matter shall be final.

SEXUAL HARRASSMENT POLICY

The college prohibits any form of sexual harassment. Sexual harassment is a form of sexual discrimination and is prohibited by federal laws, including Title VII of the Civil Rights Act of 1964 and Title IX of the Education Amendment of 1972. Any practices inconsistent with this policy should be reported in writing to the Title IX coordinator.

SPECIAL NEEDS ACCOMMODATION

An enrolled student who wishes to make Nazarene Bible College aware of any accommodation concerns should notify the Office of Enrollment and Student Development. Any information provided is strictly voluntary and will be kept confidential, except as agreed upon by the student for the sake of providing any

accommodations. The information would be used for the student's immediate benefit.

NEW STUDENT TESTING

New students are required to take standardized placement tests in English usage and reading skills. In addition, a Bible knowledge and content test is administered as a baseline for assessment of subsequent learning.

An intensive personality and self-concept inventory is required for all on-campus students and is available for online students. This test is scored, evaluated, and shared individually with students for affirmation. The results of these tests are used for counseling and individual assessment purposes only.

CUSTOMIZED AND SPECIALIZED STUDIES

Customized studies may be taken either as a directed study or an independent study. No more than one such customized study will be allowed in an associate of arts degree program and no more than three in a baccalaureate degree program. For approved customized studies, there will be an additional fee of one-half the regular tuition rate. Application forms are available in the registrar's office.

Directed Study: a course listed in the catalog that a student may apply to take when schedule conflicts and/or other circumstances prevent the student from taking the course during the scheduled class time. Course requirements for directed studies will be equivalent to those of the regular course plus time normally required outside the classroom. Application to and approval by the vice president for academic affairs is required.

Independent Study: a course specially designed to relate to a student's needs, interest, and anticipated ministry that may be undertaken by qualified students. The approval of the vice president for academic affairs and a supervisory faculty member is required. In exceptional circumstances, approval by the Academic Council may be required.

Specialized studies are taken under the direction of faculty for academic credit outside the campus or online classroom. Such studies are Senior Ministry Integration, Clinical Pastoral Education, Student Teaching, and Residency.

Senior Ministry Integration: During the senior year, each student is required to take Senior Ministry Integration or an equivalent field education study. This course is designed to integrate classroom learning with ministry experience. The class includes a demonstration of a significant ministry experience of at least 100 hours during the course and an understanding for each student of ways his or her education will support ministry. This course also requires a pastor-mentor supervisor relationship with someone who has had at least five years experience in the area of ministry the student is pursuing.

Clinical Pastoral Education: In the fourth year, a student who has been admitted to an accredited Clinical Pastoral Education (CPE) center may apply to the Academic Council for permission to earn CPE credit at NBC. This program provides advanced, supervised training in counseling and interpersonal relationships with patients and families.

Residency: In the fourth year, a student may apply to the Academic Council for permission to serve as a staff member in an approved local church. This program is intended to be an in-depth, actual ministry experience and is different from the directed ministry experience, which deals primarily with issues of integration of theory and practice of ministry.

EXAMINATION, MILITARY, AND PORTFOLIO CREDIT

Credit may be awarded for learning demonstrated by examination for subjects appropriate to the curricula of the NBC programs. The Academic Council has approved the granting of credit based upon national standardized examination programs, namely, the College Level Examination Program (CLEP) or the Advanced Placement Program (AP).

A student may receive advanced standing in a particular area as demonstrated by departmental examinations. The department will determine whether the student examination results merit advanced standing. The student will be required to take additional hours in the tested content area to compensate for those hours not taken by completing the course.

Credit may be awarded for military education and training programs for subjects appropriate to the curricula of the NBC programs. Evaluation will be based on the recommendations of the American Council of Education *Guide to the Evaluation of Educational Experiences in the Armed Services* or an official transcript of the various armed forces (i.e., AARTS, SMART, College of the Air Force, and the Coast Guard Institute).

Credit may be awarded for college-level studies validated by evaluation of a Student Academic Portfolio. Such a portfolio is typically used to substantiate the transferability of work done at non-accredited institutions. For credit to be awarded through a Student Academic Portfolio, a student should present his/her portfolio for evaluation at the time of his/her application to the college. Credit may be awarded after one trimester of successful enrollment at Nazarene Bible College.

A maximum of 72 semester hours may be posted from a student's academic portfolio completed at a District Training Center (see pages 135-139), otherwise, the maximum number of hours which may be awarded for examination, military, and other portfolio credit in any baccalaureate degree program is 24 semester hours. The maximum in any two-year associate degree program is 12 semester hours.

There will be a fee for posting examination, military, and portfolio credit on the college transcript except in the case where an official military transcript is provided.

See the Financial Information section for amounts. For more information, contact the registrar's office.

VETERANS ADMINISTRATION REQUIREMENTS

To maintain certification for Veterans Administration benefits, a student must earn a grade point average of 2.0 or better. Failure to do so will result in VA benefit probation the following trimester. If the student does not meet minimum requirements for three successive trimesters, loss of certification for VA benefits will result.

A student may receive benefits for repeating a course if that course is required in the program of study. The law prohibits payment of benefits for courses not included in a student's program of study or courses from which the student withdraws. Payment of tuition and fees is allowed for courses taken by directed study.

ENGLISH PROFICIENCY

Proficient use of the English language is essential for ministers in English-speaking assignments; therefore, Nazarene Bible College requires two courses in English composition. An English proficiency examination is used for placement. Students whose proficiency examination scores suggest a deficiency must begin their English sequence with Basic English Skills. Credit for Basic English is not included in the minimum credit hours required for any degree. Successful completion will enable a student to take English Composition I for credit.

Transfer credit may be accepted for English requirements subject to satisfactory scores on the English proficiency examination. No English credit will be accepted for students with proficiency scores below NBC English department standards.

Students entering Nazarene Bible College who have already earned a baccalaureate or higher degree at an accredited institution are not required to complete the English testing requirement. Transfer credit for English composition will be accepted under normal NBC transfer policies.

For admission to the college, any student who has not graduated from an English-speaking high school is required to pass the Test of English as Foreign Language (TOEFL) with a score of at least 500 on the paper-based test and 173 on the computer-based test. This test is given in most world population centers. A student at Nazarene Bible College must show a proficiency in understanding and using correct English to be able to satisfactorily complete the basic curriculum in English. Such students are still subject to English placement requirements.

COURSE LOAD

A full course load is 8 to 12 hours per trimester. A student desiring to take more than 12.5 hours must have at least a 3.5 grade point average for two consecutive

trimesters and obtain the approval of the vice president for academic affairs. Online students may not take more than two courses per online session.

The college reserves the right to limit a student's course load when outside employment becomes excessive. All students are required to report their employment workload each trimester.

CLASS SCHEDULES

Nazarene Bible College offers both day and night classes to accommodate student needs. Printed schedules are available for student planning. Each week special times are reserved for chapel services. Please see current schedule for details.

ACADEMIC ADVISING

Academic advising is the process and system by which students plan their academic programs with the help of an assigned faculty member or academic advisor. The registrar gives initial advising to new, on-campus students. Each on-campus student is then assigned a faculty advisor who meets with the student at least three times each year to give aid in academic planning, career direction, and personal progress in a degree program.

Online students are advised by special online advisors. These advisors provide direction to online students for program planning and scheduling of classes, and provide support in enrollment and college business needs.

INCOMPLETE WORK

Incomplete "I" indicates unfinished work at the end of a course due to extenuating circumstances. A student must request the "I" from the professor, justifying the reason for that request. When granted, "I" grades must be removed by the end of the following trimester. The final grade will be submitted based on the work completed by the student in the class to that point. An incomplete incurred during the spring trimester must be removed by the beginning of the fall trimester.

Online classes: an incomplete may only be given if the professor believes the missing work does not require the interaction of other students in the class.

CHANGE OF ENROLLMENT

A student who desires to add a course, withdraw from a course, or in any way change his/her class schedule, must complete a Change of Enrollment form available from the registrar's office. The change will not become official until all required signatures are obtained and the form is submitted to the registrar's office. The deadlines for making schedule changes are published in the academic calendar.

A student desiring to **withdraw from a course** should consult the course instructor and his/her faculty or online advisor. A grade of "W" will be assigned when courses are dropped prior to the deadline published in the academic calendar. The tuition refund, if any, will be credited. Failure to attend class will not constitute an official withdrawal. Tuition will not be refunded, and grades will be recorded as "F" for a student who stops attending class without going through the formal withdrawal process.

An online student desiring to withdraw from a course should contact his/her online advisor. That office will process the withdrawal and obtain all necessary signatures. The advisor will confirm the withdrawal with the online student, at which point the withdrawal becomes official.

Withdrawing from a course is only permitted prior to the 7th week of classes for on-campus students and prior to the 4th week of classes for online students. A student may not withdraw from a course after this point and will receive a grade of "F" for the class if he/she fails to attend.

WITHDRAWAL FROM THE COLLEGE

Any on-campus student desiring to **withdraw completely** for the trimester must secure the withdrawal forms from the registrar's office, have them approved by the vice president for academic affairs and the vice president for enrollment and student development, and obtain all other required signatures. An online student should contact his/her online advisor. That office will process the withdrawal and obtain all necessary signatures. The advisor will confirm the withdrawal with the online student, at which point the withdrawal becomes official.

Failure to attend classes will not constitute an official withdrawal. Tuition will not be refunded, and grades will be recorded as "F" for a student who stops attending classes without going through the formal withdrawal process.

Official withdrawal is only permitted prior to the 7th week of class for on-campus students and prior to the 4th week of classes for online students. A student may not withdraw after this point and will receive a grade of "F" for all classes if he/she fails to attend.

ACADEMIC HONESTY

Honesty in all academic endeavors is vital as an expression of the Christian life. It is required that students at Nazarene Bible College will not participate in cheating, plagiarism,* or other forms of academic dishonesty nor encourage and condone such behavior by permitting it and/or allowing it to go unreported. All assignments must be the student's original work for the course in which the material is submitted. When the work is not the student's own, proper credit must be given to the source of the information.

Academic dishonesty is a serious violation of morality and of academic integrity. The minimum penalty for academic dishonesty will be failure of the assignment. More stringent measures may include failure of the course, disciplinary probation, or disciplinary suspension.

*Plagiarism is using another's words or ideas as one's own without properly crediting the original source.

ACADEMIC HONORS

Academic honors are announced by the vice president for academic affairs each trimester. Honor students must carry at least 8 hours per trimester and achieve the following grade point average: Dean's List - 3.70 to 4.00; Honor Roll - 3.30 to 3.69. Graduating with scholastic honors is a designation for those persons completing their degree programs with a cumulative GPA of 3.70 or higher. Persons graduating with scholastic honors will be designated by the privilege to wear gold cords during the commencement ceremonies.

ANNUAL AWARDS

Delta Epsilon Chi

Each year the faculty of NBC may elect a number of graduating seniors to the distinction of membership in Delta Epsilon Chi, the Honor Society of The Association for Biblical Higher Education. These students must have achieved a cumulative grade point average of 3.3 and exhibit Christian character and leadership ability. The name of this society means "Approved in Christ" as taken from the first Greek letter in each word of this phrase found in Romans 16:10.

Oke Bible Reading Award

This award was established in 1969 by Dr. Norman R. Oke, former academic dean and professor of theology at Nazarene Bible College. Participants, chosen by their fellow students from the junior speech class in Oral Interpretation, present a program of Scripture readings in chapel each spring. Certificates and awards are given as recognition for excellence in public reading of the Scripture.

Russell V. DeLong Sermon Award

This annual sermon series was established in 1975 through the generosity of the Russell V. DeLong family. Dr. DeLong served as a pastor, college president, evangelist, writer, and radio voice in the Church of the Nazarene. Students nominated by their Christian Preaching II professors are invited to participate in the event by submitting a sermon manuscript. A faculty committee selects the finalists who deliver their sermons in chapel. The preachers are given certificates and awards in recognition of their outstanding achievement in preaching.

Who's Who Among Students in American Universities and Colleges

Each year the faculty nominates a limited number of students to be listed in *Who's Who Among Students in American Universities and Colleges*. This national program honors students based on academic performance, leadership, service, and collegiate accomplishments.

ACADEMIC PROBATION

In order to ensure that students at Nazarene Bible College are making satisfactory progress toward their academic goals, the college has instituted a system of academic probation. The following categories will apply to students who experience academic difficulties:

1. Academic Warning

A student whose term or cumulative grade point average falls below "C" (2.0) for a trimester will be placed on academic warning for the next trimester of enrollment. Appropriate counseling will be initiated.

2. Academic Probation

A student whose term grade point average is below 2.0 for any trimester while on academic warning will be placed on academic probation. Counseling will be provided to improve the quality of the student's work. A student on academic probation is not permitted to hold student office.

3. Academic Probation with Restriction

A student on academic probation whose term grade point average falls below 2.0 during the probationary term will be placed on academic probation with restriction. The student will be restricted to a reduced course enrollment that will include only those courses approved by the student's advisor and the vice president for academic affairs. A student on academic probation with restriction is not permitted to hold student office.

4. Academic Suspension

A student on academic probation with restriction and whose term grade point average falls below 2.0 in the next trimester will be placed on academic suspension and will be ineligible to enroll the next trimester. Re-admission requires that a signed request be submitted to the Academic Council through the Office of Academic Affairs, in which case the student, if re-admitted, will be placed under probation with restriction status for the next trimester of enrollment.

Academic probation status and academic suspension status will be noted on the applicable students' transcripts. Student financial aid could be affected by academic probation and/or academic suspension status. The student must consult with the Office of Financial Aid.

Additionally, a special review of student academic progress is made at the end of a student's second year at NBC. Students with less than a "C" (2.0) average at

the end of the second year may be in danger of losing federal financial aid privileges. Students must check with the Office of Financial Aid to determine continuation of their eligibility.

CLASSIFICATION OF STUDENTS

- A freshman is a student who has met admission requirements.
- A sophomore is a student who has completed 32-63 semester hours.
- A junior is a student who has completed 64-95 semester hours.
- A senior is a student who has completed at least 96 semester hours.

A student is considered full time when enrolled for eight or more semester hours per trimester. A student taking less than eight hours is not eligible to hold student office without special permission from the administration.

AUDITING

A student who does not wish to receive college credit for a course may register to audit the course. No class assignments are required for an auditing student. The tuition fee is one-half the regular tuition for that course. AU is entered on the transcript for a completed audit course.

Private music lessons and online courses may not be audited.

INTERVENTIONS FOR SUCCESS

A student is required to participate in three interventions to improve the likelihood of success as a student and in ministry: NBC Experience, Ministry Progress Review Interview, and Graduating Colloquium.

NBC Experience: an orientation to the NBC culture required during the first fall trimester of enrollment. The purpose of this course is to integrate new students and their families into the life of the college, to initiate spiritual formation principles and activities, to help students and advisors become better acquainted, and to prepare students for college life.

Ministry Progress Reviews: interviews conducted during the winter trimester of the sophomore year in which a student's progress in the preparation for ministry is reviewed. Faculty interview teams provide advice, correction, and encouragement in this intervention.

Graduating Colloquium: a capstone experience designed to address the initial ministry assignment needs of the graduating student, synthesize the academic and practical facets of the student's education in anticipation of future placement in ministry, and bring closure to the student's time at Nazarene Bible College.

GRADUATION

Students are responsible to assure that their records are complete and all requirements for graduation have been met.

Nazarene Bible College will **post degrees** four times each academic year: the Monday following the last day of class for each of the fall, winter, and summer terms, and the day of scheduled commencement.

There is both an application to **complete and post a degree** and an application to **participate in commencement**. A student is required to make application no later than December 15 of the academic year for participation in commencement exercises. A \$50 graduation fee is required (see page 37) and must be submitted along with the application. It may be paid by check or credit card. A graduation application form will not be considered complete without appropriate payment.

It is possible to participate in **commencement exercises** if no more than six credit hours remain to be completed for the associate of arts degree, or if no more than nine credit hours remain for the baccalaureate degree, and if the student makes a commitment to complete those hours with an approved plan. The degree will not be granted until all requirements are met.

TRANSCRIPTS

Official transcripts are released only if all financial obligations are satisfied and the student has signed a written request authorizing the release of the transcript. Requests should be addressed to the registrar's office. Faxed requests may be accepted if signed by the student. There is no charge for issuing transcripts.

SUMMER SCHOOL

On campus, one five-week summer session is offered during June and July in which six credit hours may be earned. Because courses are accelerated and class periods lengthened, students are advised not to enroll for more than 6 hours in the five-week period. Summer school courses may be canceled when enrollment is insufficient to cover institutional costs.

Online, one six-week summer session is offered in which six credit hours may be earned.

GENERAL EDUCATION

Nazarene Bible College is an undergraduate, professional school of ministry; therefore, programs concentrate especially on preparation for ministry. However, each degree program also recognizes the importance of breadth in the educational experience and requires courses of a more general nature.

The associate of arts degree programs require specific general education courses in English, history, communication, mathematics, science, and psychology. In addition to these requirements, the baccalaureate degree programs require courses in sociology, ethics, and religious culture and offer students the opportunity to select, or transfer in, courses from a broader cluster of general education fields.

This core of general education courses may include Interpersonal Communication, Intercultural Communication, Hebrew I, II, III, New Testament Greek I, II, III, Marriage and Family, Leadership, Critical Thinking, and other general education courses when these courses are not designated as a required course for the student's chosen major. In addition, designated independent study and seminars in advanced applications may be acceptable elective general studies credits.

Many of the students at Nazarene Bible College come with prior education. The college recognizes the strength of the prior experience and schooling and intends to build on it. Transfer credit for the general education core is encouraged in areas that would enhance ministerial preparation. The policy for general studies core transfer credit may be obtained from the registrar.

COURSE NUMBERING SYSTEM

Nazarene Bible College uses a closely structured schedule of courses that most students will follow. The course numbering system may inform decisions about elective courses and help in the interpretation of transcripts. Course numbers include a three-letter prefix which identifies the subject field and a four-digit number which indicates the level, sequence, and credit hours of the course. The first digit indicates the level of the course. Courses in the 1000 range are generally entry level courses most often taken during the freshman year; 2000 courses are normally sophomore level; 3000 courses are usually junior level; and 4000 courses are the most advanced courses offered, usually reserved for juniors and seniors. A limited number of graduate level courses are offered; these are numbered 5000 or higher. The second and third digits distinguish between courses within a subject field and generally suggest the sequence in which courses in that field would be taken. The fourth digit indicates the number of credit hours for the course.

COMPLETION AND GRADUATION RATES

Students at Nazarene Bible College seek degrees to prepare for ministry assignments, whether those assignments are for clergy or lay service. Graduation and earning a degree is the normal goal of college enrollment.

One measurement for institutions of higher learning is a report referred to as the graduation rate. Below are two different graduation rates for the most recent five years. The first is the rate at which persons graduated from Nazarene Bible College who enrolled originally as first-time, full-time freshmen. The second is the rate of graduation for all persons who enrolled at the college.

REFUND POLICY

Nazarene Bible College follows the federal return of Title IV funds provisions for federal aid recipients. Under these provisions, when a recipient of federal Student Financial Aid (SFA) funds withdraws from the college, the college must determine the amount of SFA funds earned as of the student's last date of class attendance. If the total amount of funds earned is less than the amount disbursed, funds will be returned to the appropriate SFA programs. If the total amount of SFA funds earned is greater than the total amount of funds disbursed, the difference between these amounts may be treated as a post-withdrawal disbursement.

The term "refund" relates to any money applied to the student's account for institutional charges. If a student withdraws from all classes for a payment period, or drops below half-time status, the financial aid and business offices will determine if any refund is due and what portion of such refund is due to the Title IV Financial Aid programs if applicable. If there is a remaining balance owed on a student's account, a statement will be mailed.

Nazarene Bible College refunds tuition according to the following schedule:

<u>On-Campus</u>	<u>Online</u>	<u>Refund</u>
1 st week of classes	Days 1-3 of class	100%
2 nd week of classes	Days 4-6 of class	75%
3 rd week of classes	Days 7-9 of class	50%
4 th week of classes	Days 10-12 of class	25%
5 th week of classes	Days 13-42 of class	None

Fees and other charges are non-refundable.

Summer Term Refund Schedule

For on-campus summer term, no refund will be given after the fourth day of classes. If a class is dropped by the fourth day, a 100% refund will be given.

FINANCIAL AID

Nazarene Bible College offers financial aid in the form of grants, scholarships, loans, and employment. Federal aid includes the Pell Grant, Supplemental Educational Opportunity Grant (SEOG), and Work-Study, as well as the Perkins Loan and Stafford Loan programs, which provide long-term, low interest loans. In addition, there is a limited amount of institutional aid through the college. An individual student's financial aid package may be comprised of one or more of these types of aid. Applications for all forms of financial aid are available in the Financial Aid Office. Consumer information related to the financial aid programs of Nazarene Bible College, its policies and procedures, and student eligibility may be obtained by contacting the director of financial aid.

Generally, financial aid is tailored to help meet the needs of the student, but both the student and the college must recognize that the primary responsibility for paying college expenses rests with the student.

Eligibility for the various types of aid is determined by analyzing the information provided on the student financial aid application. The student may apply for one or more types of aid depending upon qualifications and the funds available. The student must be enrolled for at least four hours and be in good academic standing to be eligible for federal aid. However, the student may, in certain cases, be eligible for a Federal Pell Grant for enrollment of less than four hours. Students must be enrolled in and attend at least four credit hours to receive loans. All financial aid is disbursed by crediting one-third of the total award to the student's account each trimester.

A student must reapply each year for federal aid and institutional aid. The director of financial aid is responsible for the administration of all financial aid funds.

Federal financial aid is available to online students. Qualifications for such aid should be discussed with a financial aid counselor or an admissions counselor. Students are encouraged to visit the Federal Financial Aid website at <http://www.fafsa.ed.gov>. The NBC code is 013007.

Limitation

A student not officially pursuing a degree or certificate is not eligible for federal aid. A student not finally accepted to the college is not eligible for financial aid.

Forfeiture

A student placed on probation because of disciplinary or academic reasons may forfeit all rights to financial assistance. If a student drops below four hours, institutional aid is forfeited at the rate of refund listed in Policy on Refunds section.

STUDENT DEVELOPMENT

STUDENT DEVELOPMENT

STUDENT DEVELOPMENT PHILOSOPHY

The founding of Nazarene Bible College (NBC) was authorized in 1964 by action of the General Assembly of the Church of the Nazarene. The college joined eight liberal arts colleges and a graduate seminary as part of the Nazarene educational family. Within two years of assembly action, a governing board was elected for the new Nazarene Bible College, a founding president was named, and Colorado Springs, Colorado, was chosen as the site for the college.

Within the plan to establish Nazarene Bible College, the supporting leadership of the denomination urged three descriptors they felt should be characteristics for NBC. First, the college should be characterized as biblical higher education; second, the college should be characterized as preparing persons for the Christian ministry, especially within the Church of the Nazarene; and third, the focus in student recruitment should be for second-career adults. These features of the college remain today as the primary and most observable identifiers of NBC.

The college continues to fulfill its purpose and mission in all programs and strives to live by its core values and achieve its educational objectives. As this is accomplished, a student will not only grow academically, but will also grow toward wholeness spiritually, socially, and emotionally. To that end, the office of Student Development provides activities and services that assist a student in his/her own process of growth.

STUDENT SPIRITUAL DEVELOPMENT

There are various spiritual development components of biblical knowledge, faith formation, and mentoring offered through chapel, classroom experience, and faculty interaction. In addition, the college and Christian community provide many other opportunities for the student to develop his or her inner life.

Chapel

The chapel services of the college are planned for worship, inspiration, and instruction. Throughout the academic year, chapel speakers, chosen as Christian ministry models, include church leaders, pastors, community resource persons, faculty members, students, and college administrative leaders. This common experience of worship shared by students, faculty, staff, and administration forms one of the abiding strengths of the Nazarene Bible College experience. Chapel services are held each week in both the day and night sessions.

Local Churches

Eighteen Churches of the Nazarene in Colorado Springs minister to students and their families. The pastors serve as shepherds, spiritual advisors, and ministerial models to students. These churches, varying in size from beginning church plants to a worship attendance of more than 1,000, offer the student many opportunities for service and fellowship. Long, happy relationships exist among the local churches, the college, graduates, and present students. Every student at Nazarene Bible College can find a church home among the Nazarene congregations in the Pikes Peak area.

Nursing and Retirement Home Ministry

Nazarene Bible College provides students significant opportunities to share their faith and offer care in regular ministries for people in nursing and retirement homes. This ministry is overseen by the Associated Student Government and provides practical, on-the-job training for students to preach, teach, and extend worship to the community. This compassionate ministry enriches the lives of both the residents and students.

Church Planting

Students and faculty are regularly involved in planting Nazarene churches in the Colorado Springs area. Since 1984, in partnership with the Colorado District and local pastors, ten churches have been planted. This effort continues as students express a call to begin new works and as opportunities become available.

ADMINISTRATIVE SERVICES

Faculty members and administrators have an open-door policy toward all students for encouragement, prayer, and guidance.

- The president of the college is readily available to students.
- The vice president for academic affairs advises students regarding their general educational plans, choice of programs, vocational planning, curricular problems, difficulties with study, or withdrawals from college.
- The student development office, under the direction of the vice president for enrollment and student development, assists students in enrollment and acceptance to the college and with practical matters after arriving on campus, and serves as the first contact for personal and spiritual concerns.
- The vice president for online education and associate academic dean assists online students regarding enrollment and advises them regarding their online academic programs.
- The vice president for finance advises students regarding tuition, expenses, and emergency assistance.
- The director of financial aid gives guidance relating to veterans assistance, student aid programs, and scholarships.
- The registrar assists students with class scheduling, credit transfer, and attendance policies.

- The director of the library works with students to help build the life-long learning skills in locating and learning how to use the various print and electronic resources available.

Counseling Services

Counseling resources are provided to students in a variety of ways. Faculty members, administrators, and staff seek to be models of Christian care to all students and try to be alert to student needs. The student academic advising program provides both an academic and pastoral contact between each student and his or her faculty advisor.

Appointments to counsel with the vice president for enrollment and student development are made through the student development office. Placement, diagnostic, and psychological testing are available to students and their families. The college maintains a campus counseling center and referral commitment with Colorado Springs Christian Counseling Services (CSCC). Students, or members of their immediate families, who are referred to CSCC may receive professional counseling services at minimal cost to the student. Arrangements may also be made for referrals to other approved clinics.

Food Service

A deli is available in the bookstore in Williamson Center. Light meal items, drinks, and snacks are available during breaks and between classes.

Housing Services

Although the college does not provide dormitories or on-campus housing, a wide variety of housing is available in Colorado Springs. The enrollment and student development office works with community apartment managers and homeowners in assisting students to secure housing. This office provides students a list of currently available housing in the area. Housing opportunities listed in *The Gazette* of Colorado Springs can be accessed on the Internet at www.gazette.com.

Bookstore

A full-service bookstore is located in Williamson Center. Bookstore hours are scheduled to serve the needs of the learning community. Also, books may be ordered online at www.nbc.edu.

Employment Services

The Office of Enrollment and Student Development maintains a regularly updated list of job openings and principal employers of Nazarene Bible College students. Employment opportunities listed in the classified section of *The Gazette* of Colorado Springs can be accessed on the Internet at www.gazette.com.

Since the securing of both housing and employment is usually dependent upon the student's presence in the city, prospective students are urged to arrive at

least two months before the school term begins. If possible, persons licensed in specialized fields such as plumbing, nursing, and teaching should secure Colorado certification before arrival.

Sponsorship Program

The Office of Enrollment and Student Development administers a sponsorship program to assist incoming local students in their transition to Colorado Springs. Current students volunteer housing for a temporary period of time for incoming students. Additionally, these volunteer students assist the incoming student and his/her family in locating shopping areas, doctors, dentists, as well as potential housing and jobs.

STUDENT ORGANIZATIONS

Associated Student Government

The Associated Student Government (ASG), annually elected by the student body, leads and sponsors a variety of activities. The ASG officers are: president; secretary; treasurer; vice presidents for religious life, social life, recreational life, and student organizations; and representatives from day and night students in the freshman, sophomore, junior, and senior classes.

Christian Education Fellowship

The Christian Education Fellowship provides informational opportunities for students who plan to enter staff/associate ministry. Meetings are scheduled throughout the school year.

The events are planned by the NBC Women's Council. These times provide opportunities for NBC women to get acquainted with each other. Information announcing an event is mailed to each woman and posted on bulletin boards throughout the campus.

Talents in Action

Talents in Action is comprised of students who donate their talents in an exchange service to fellow students. The purpose is to promote within the student body a co-op dealing with students' needs by matching talents through ministry.

SOCIAL LIFE AND ATHLETICS

An excellent spirit of comradeship and fellowship exists in the Nazarene Bible College family. Numerous events are provided throughout the year to meet the social needs of persons who comprise the learning community.

A limited recreational program, promoted under the guidance of the Associated Student Government, may include tennis, ping pong, basketball, softball, volleyball, or golf, depending on the interest of the current student body.

PUBLICATIONS

The *NBCCommunicator* is published weekly when school is in session by the Office of Student Development to keep students and faculty informed of current announcements. Information and announcements published through the *NBCCommunicator* are considered "official notification."

The student publication, *Voice and Vision*, is published by the student body to address current campus issues.

CHRISTIAN EDUCATIONAL MINISTRIES

Prof. Patricia Crane

Prof. Janice Duce

Prof. Janyne McConnaughey

The B.A. Min. degree with a Christian Educational Ministries major may be taken with one of two concentrations: Local Church Ministries or Christian School Education.

Local Church Ministries Concentration

The B.A.Min. degree with a Christian Educational Ministries major, Local Church Ministries concentration, is the primary degree offered to persons who wish to prepare for service as minister of Christian Education in a local church congregation. Completion of the Christian Educational Ministries major, Local Church concentration, fulfills education requirements for ordination as a deacon in the Church of the Nazarene.

Objectives for the Local Church Ministries Concentration

The mission of the Local Church Ministries Concentration is to equip students to be effective leaders of those educational ministries of a local church that will result in people accepting Jesus as their personal Savior, experiencing entire sanctification, growing continually in Christlikeness, and developing their own gifts to participate in the ministry of God's kingdom. To accomplish this mission, completion of the Local Church Ministries concentration should enable students to:

1. Understand the mission of the church and the role of Christian education in the successful fulfillment of that mission and develop a commitment to contribute to the building of effective Christian educational ministries in local churches through his or her own ministry.
2. Understand the biblical, educational, historical, and administrative foundations of a program that effectively educates persons in the Christian faith, lifestyle, and ministry, and acquire the skill to apply these foundations to the development of educational programs in a local church.
3. Become acquainted with the best of Christian educational programs, strategies, and resources, and develop the skill to evaluate and implement these in a local church.
4. Develop a sound theology and philosophy of Christian education and apply these toward the development of a biblically-based, comprehensive approach to educational ministries in a local church.
5. Understand the principles and practices of team ministry, develop a commitment to a team approach in his or her own ministry, and acquire the skills to implement this approach through equipping, organizing, and supervising professional and volunteer ministers in a local church.

ALLIANCE FOR MINISTRY DEVELOPMENT

ALLIANCE FOR MINISTRY DEVELOPMENT

PHILOSOPHY

The *Alliance for Ministry Development* is a voluntary organization of district training centers within the Church of the Nazarene in the United States that prepares men and women for ministry in their own communities. While the *Alliance* is not an educational program of Nazarene Bible College, it is a collaborative program to assist district training centers in preparing men and women for Christian ministry. NBC is an *Alliance* member and a partner with a broad number of district training centers. Although NBC has no legal or accredital connection with district training centers, it acts in consultation with these centers in areas of academic excellence and good practice, curricular development, and faculty qualification and development.

RELATIONSHIP

In 1983, the Board of General Superintendents designated Nazarene Bible College as the educational training entity for adult ethnic persons. Nazarene Bible College developed a contextual educational program which focused on training multicultural ministerial students who could not attend a traditional college. This innovative program, now called the *Alliance for Ministry Development*, has expanded into many areas of the United States. It serves both ethnic and Anglo students preparing for pastoral and lay ministries at the district level.

The *Alliance* program provides classroom education for students in their cultural context. The curriculum follows that of NBC with the provision that certain alternative courses may be designed to meet specific cultural needs.

Alliance district training centers are operated by districts in the Church of the Nazarene. Each district training center has a board to direct its operation, fund the training center, and make recommendations to the annual *Alliance* conference. In addition, each center's board elects a director who has responsibility for daily operations.

The NBC administrative responsibility for the *Alliance* relationship rests with the vice president for academic affairs, who represents the administration of NBC and serves as a consultant to district training centers.

FACULTY

District training centers have responsibility for their own teachers, although, center directors work in consultation with NBC regarding teacher qualification and development. As a normal rule of the *Alliance for Ministry Development*, the district training centers are expected to qualify their teachers on the same basis as NBC.
