# THE COLLEGE

## STATEMENT OF BELIEF

Nazarene Bible College, an institution of the Church of the Nazarene, teaches and adheres to the statement of belief as found in the *Manual* of the Church of the Nazarene.

### **We believe:**

In one God – the Father, Son, and Holy Spirit.

That the Old and New Testament Scriptures, given by plenary inspiration, contain all truth necessary to faith and Christian living.

That man is born with a fallen nature and is, therefore, inclined to evil, and that continually.

That the finally impenitent are hopelessly and eternally lost.

That the atonement through Jesus Christ is for the whole human race; and that whosoever repents and believes on the Lord Jesus Christ is justified and regenerated and saved from the dominion of sin.

That believers are to be sanctified wholly, subsequent to regeneration, through faith in the Lord Jesus Christ.

That the Holy Spirit bears witness to the new birth, and also to the entire sanctification of believers.

That our Lord will return, the dead will be raised, and the final judgment will take place.

## HISTORY

The General Assembly of the Church of the Nazarene, in session at Portland, Oregon, in June 1964, authorized the opening of Nazarene Bible College during the following quadrennium. A board of trustees was elected, and Dr. Charles H. Strickland was chosen as the first president. To serve a nation-wide church, Colorado Springs, Colorado was chosen as the site for the college.

The college opened in September 1967 in facilities provided by First Church of the Nazarene. New buildings at the permanent location were occupied by the end of the first school year, and the new campus was dedicated in October of 1968. Dr. L. Oliver, chosen in 1972 to succeed Dr. Strickland as president, served until 1984 when Dr. Jerry D. Lambert was elected. In 1994, Dr. Hiram E. Sanders was elected fourth president of Nazarene Bible College and served until his retirement in 2006. Dr. Harold B. Graves Jr. was elected as fifth president of the college in 2006.

In the fall of 2016, Nazarene Bible College made the decision to become a fully online institution. The school accomplished that vision by decentralizing operations and outsourcing services. The “new NBC” leads with an administrative team located in the Church of the Nazarene’s Global Ministry Center in Lenexa, Kansas, an IT team and system domiciled in Colorado Springs, and a faculty who teach from their home or office locations. Together, they help NBC students complete their education wherever their internet connections intersect with the college’s location online.

## **PURPOSE**

Nazarene Bible College exists to glorify Jesus Christ as Lord by preparing adults to evangelize, disciple, and minister to the world.

## **SPECIAL STUDENTS**

Some individuals do not wish to pursue a degree but may wish to take classes at Nazarene Bible College for a special, specific purpose such as meeting degree requirements for another institution, completing a few classes needed for personal development, or to meet the educational requirements for teacher certification or ordination in the Church of the Nazarene. Such persons will be considered for admission as a special student with the following criteria to be followed for admission.

- Special students are not eligible for federal financial aid or institutional scholarships from NBC.
- Special students are limited to taking no more than five total courses.
- Should a student who has been admitted under special student status desire to enroll for more than five courses at Nazarene Bible College, they will need to re-apply for admission. There is no guarantee that such individuals will be accepted as regular students.
- Special students are not eligible to transfer credits in or to submit portfolio work. The only items to be listed on the transcript of a special student will be the class or classes taken at NBC.
- Special students are required to pay prior to the start of classes all tuition or audit fees in full and all fees for classes taken or audited.

## **CONDITIONAL ADMISSION STUDENTS**

In exceptional cases, if an MPP or PPM applicant is unable to secure qualifying official transcripts due to government prevention, institutional loss, or extreme personal hardship, the Enrollment Management Director has the authority to waive the transcript submission requirement and admit the student under a Conditional Admission status. The applicant's special status allows for admission to the college pending successful completion of their initial two courses at 2.0 or above cumulative GPA. In addition, during their Online Orientation course, the students will take the English Placement Test. Students whose scores indicate the need for English remediation must register and pass the required remedial English course or courses prior to continuing in their program. The Conditional Admission exception is limited to no more than 5% of the students currently enrolled in the MPP or PPM programs.

## DEPARTMENT OF DEFENSE VOLUNTARY EDUCATION PARTNERSHIP

Nazarene Bible College is a participant in the Department of Defense Voluntary Education Partnership. As a participating member of this DOD partnership, NBC provides access to quality postsecondary education opportunities as a strategic investment that enhances the U.S. Service member's ability to support mission accomplishment and successfully return to civilian life. Making these postsecondary programs available to the military community as a whole further provides service members, their eligible adult family members, DOD civilian employees, and military retirees ways to advance their personal education and career aspirations and prepares them for future career and technical pursuits, both inside and outside of the Department of Defense. NBC ensures that military students share in appropriately accredited postsecondary educational opportunities available to other citizens. Flexibility of programs and procedures, particularly in admissions, counseling, credit transfer, course articulations, recognition of non-traditional learning experiences, scheduling, course format, and residency requirements are provided to enhance access to higher education programs for service members and their family members.

## INTERNATIONAL STUDENTS

Prospective students who are citizens of another country and who wish to live in the U.S.A. to pursue studies at Nazarene Bible College will comply with all regular requirements for admissions listed in the Admission Requirements section. In addition, the following requirements must be met prior to admittance:

1. **TOEFL English Competency Test:** The prospective student must pass the TOEFL test with scores of at least 80iBT or 500PBT. The test scores must be sent to Nazarene Bible College by submitting the Designation Institution Code 0476.
2. **Proof of Funds:** The prospective student's sponsor must provide certification from a bank or other financial agency of sufficient funds to cover the sponsorship commitment.
3. **Passport:** The prospective student must submit a copy of a current passport.
4. **Major:** The prospective student must submit a declaration of a major area of study and either a secondary major or a minor.
5. **I-20 Form:** Once the prospective student completes the regular requirements for admission and these requirements for international students, the college will issue an I-20 form.
6. **I-901 Form:** This form may be obtained at [www.ice.gov/sevis/i901](http://www.ice.gov/sevis/i901). Follow the instructions regarding the fee and receipt.

## RE-ADMISSION AND ENROLLMENT

NBC students who have not been enrolled in any courses for at least one full academic year must re-apply for admission to the college. An academic year begins with the Fall term of one calendar year and ends with the Summer term of the next

calendar year. For example, a student who last enrolled in a course in Spring 2019 would have to reapply for admission effective Fall 2020.

The following items will be required:

1. A current application.
2. Official transcripts from any college attended since last at NBC.
3. Students must have any “holds” removed before they will be re-admitted to NBC.

## **TRANSFER CREDITS**

Transfer credit is accepted from accredited institutions of higher learning for subjects appropriate to the curricula of NBC programs. All applicants who have attended other colleges or universities are required to have all official transcripts mailed directly by the issuing school(s) to the NBC admissions office. In addition to the transcript, it is sometimes necessary to provide a catalog, course description, or other documentation from the former college or university to help determine the content and applicability of a class. The registrar will evaluate the transcript and award applicable transfer credit(s). Note: Transcript evaluations will not be completed until application has been made to NBC and all transcripts received. Credit will only be considered for “C” grades or above. The grades earned for courses transferred from other institutions will not be counted toward a student’s cumulative GPA at Nazarene Bible College.

Elective courses are courses supplemental to those required for the completion of a degree program. Elective courses can be courses from NBC’s General Education core, Bible and Theology core, AdVantage core, the college’s major and minor programs, or comparable courses transferred from accredited institutions. Career and technical courses from accredited institutions may be applicable as electives for some of NBC’s degree programs.

Nazarene Bible College will accept up to 75% of the transferable courses required to complete a bachelor’s degree at NBC, subject to approval by the program directors for program specific courses.

Nazarene Bible College does not accept credits from the denomination’s Directed Studies Program (Home Course of Study), the Modular Course of Study, or Christian Service Training courses.

## **PRIOR LEARNING ASSESSMENT CREDIT**

Prior Learning Assessment (PLA) refers to a unique opportunity for the student to earn college credit for learning experiences that have taken place in the work environment, volunteer setting, and/or other events that have significantly improved the student’s knowledge and skills. The college recognizes that learning takes place throughout life and that college-level learning is not limited to the institutions of higher education or to classroom settings.

All elements of prior learning assessment will follow the Council for Adult and Experiential Learning (CAEL) standards and will be considered under the following categories.

1. **Examination:** Credit may be awarded for learning demonstrated by examination for subjects appropriate to the curricula of NBC programs. The Academic Council has approved the granting of credit based upon national standardized examination programs, namely, the College-level Examination Program (CLEP), the Advanced Placement (AP) program, or the DSST or Defense Activity for Non-Traditional Education Support (DANTES) exams.
2. **ACE/Military:** Credit may be awarded for professional or military education and training programs for subjects appropriate to the curricula of NBC programs. Evaluation will be based on the recommendations of the American Council of Education (ACE) Guide to the Evaluation of Educational Experiences in the Armed Services or an official transcript of the various armed forces (i.e., AARTS, SMART, College of the Air Force, and the Coast Guard Institute). This credit would include military experience and training through the workplace.
3. **Portfolio:**
  - a. **Academic Work:** Credit may be awarded for college-level studies validated by evaluation of a *Student Academic Portfolio*, which is comprised of all the course materials and work a student has completed in conjunction with a course. Such a portfolio is typically used to substantiate the transferability of work completed at a District Training Center or non-accredited institutions. For credit to be awarded through a *Student Academic Portfolio*, a student should present his/her portfolio for evaluation at the time of his/her application to the college. Credit may be awarded after one trimester of successful enrollment at Nazarene Bible College.
  - b. **Experiential Learning:** Experiential learning refers to college-level learning that occurs outside of formal educational institutions and processes. An example of experiential learning would be on-the-job training. Students may petition to receive credit for such learning by submitting an *Experiential Learning Portfolio*. In this process, students will meet with the portfolio advisor to identify areas of significant experiential learning and to match this learning to a college-level course from an accredited institution. Then, in the portfolio, students will describe how their experience meets the learning outcomes of the course, and they will provide specific articles of evidence as proof of their learning. A rigorous evaluation of the portfolio will be completed by a content specialist to determine if the learning outcomes of the course have been met.

The following governs transfer and Prior Learning Assessment credit:

1. A minimum of 10 semester hours must be earned through an accredited college classroom experience.
2. A maximum of 30 semester hours may be earned through a recognized testing service.
3. For non-military personnel, a maximum of 30 semester hours may be earned

through ACE.

4. Active service members may transfer in up to 75% of the semester hours required in their degree program using military transcribed credit.
5. A maximum of 72 semester hours may be posted from a student's academic portfolio completed at a District Training Center (see Alliance section). Credit may be awarded after successful completion of one course at Nazarene Bible College.
6. A maximum of 16 semester hours may be earned through the experiential learning portfolio submission.

A fee is required for posting examination, military, and portfolio credit on the college transcript except in the case where an official military transcript is provided. See the Financial Information section for amounts. For more information, contact the registrar's office.

Please contact the Office of Admissions for additional information about earning college credit for prior learning experiences (800-873-3873 x5060).

## **NEW STUDENT TESTING**

A Bible knowledge and content test may be administered as a baseline for assessment of subsequent learning. In addition, several inventories may be required of students during the enrollment/orientation process.

## **ENGLISH PROFICIENCY**

Proficient use of the English language is essential for Christians in professional career assignments; therefore, Nazarene Bible College requires two courses in English composition. The college requires students who do not transfer in college English credits, to take an English Placement test to determine the student's entry point in the sequence of English courses and provide effective advising.

- Students who score 80% or above on the English Placement Test will begin their English sequence with ENG-1013 – English Composition I.
- Students scoring between 70% and 79% will begin their English sequence with ENG-0133 – Basic English Skills III. A student must earn a grade of B- or above in Basic English Skills III.
- Students who score a 69% or below on the English Placement Test begin their English sequence with ENG-0113–Basic English Skills I. Upon successfully passing Basic English Skills I, with a B- or higher, the student will enter ENG-0123–Basic English Skills II. After completion of Basic English Skills I and II, or Basic Skills III, with a B- or higher, students will proceed to English Composition I
- Credits earned for Basic English Skills courses are not included in the minimum credit hours required for any degree.

For admission to the college, any student who has not graduated from an English-speaking high school is required to pass the Test of English as Foreign Language (TOEFL) with a score of at least 80 on the Internet-based test (iBT) and 500 on the paper-based test (PBT). This test is given in most world population centers. A student

at Nazarene Bible College must show a proficiency in understanding and using correct English to be able to satisfactorily complete the basic curriculum in English. Such students are still subject to English placement requirements. NBC's Designation Institution Code is 0476.

## **MATH PROFICIENCY**

Students entering a degree program who do not receive transfer credit for a college-level math course must take the college's Math Placement Test. Students earning a score below 40 will be enrolled in a math tutorial class. Successful completion of the Math tutorial will enable a student to take General Mathematics for credit.

## **SPECIAL NEEDS ACCOMMODATION**

Students who wish to make Nazarene Bible College aware of any accommodation concerns should notify the Executive Assistant to the Vice President of Enrollment Management. The student would be expected to supply the college with a statement from an authorized expert specifying the disability and a statement from a qualified expert specifying what special accommodations the student would need to accomplish the academic requirements of the college. Additional information is available from the Executive Assistant to the Vice President of Enrollment Management.

## **SPECIAL ADMISSION REQUIREMENTS FOR DESIGNATED PROGRAMS**

### **ADMISSION TO COUNSELING FOR CHRISTIAN MINISTRIES**

#### ***Acceptance to the Major Year***

The Bachelor of Arts in Ministry with a major in Counseling for Christian Ministries is offered through the traditional degree and the AdVantage accelerated degree structure. The program's major/cohort year is comprised of 32 credit hours, is delivered in a cohort model, and is intended to be completed in one academic year. Students who are accepted into the cohort agree to not enroll in other college courses during that year.

Two on-site weekend, face-to-face intensives are required— one at the beginning and one at the end of the counseling cohort year. A student may begin the cohort year when the following requirements have been met:

1. approximately 70 semester hours college work.
2. at least a 3.0 cumulative GPA in courses taken at NBC.
3. at least a 2.5 cumulative GPA in all transfer work.
4. at least 12 semester hours at Nazarene Bible College with a minimum 3.0 cumulative GPA in these courses.
5. educational foundations that include at least six semester hours of Bible/theology and three semester hours of psychology.

## ***Applicants with Previous Degrees***

***Applicants with a bachelor's degree from an accredited institution who desire the Bachelor of Arts in Ministry degree with a major in Counseling for Christian Ministries:*** Nazarene Bible College reserves the right to evaluate the substance of the degree and the student's cumulative GPA. Requirements for acceptance to the major year still apply. Students will be required to complete the 32 hours in the cohort year of the CCM major and any of the remainder of the college's requirements for Bible and theology. NBC will accept the previous degree as satisfying the general studies requirements and any number of other courses necessary to accomplish the minimum number of electives. Additionally, NBC may accept Bible/theology courses toward fulfillment of the required Bible and theology hours.

## ***Stop-outs and Re-acceptance***

Students accepted to the major year become a cohort, beginning with the first intensive class, and are expected to continue through completion of the Counseling for Christian Ministries major courses. Any student desiring to stop-out of the major year must ask for consent from the counseling faculty and AdVantage director in writing, giving reasons for the request. If, in the judgment of the faculty and director, a stop-out is granted, the faculty will advise the student of any corrective and therapeutic measures to take that will enable him or her to have an opportunity for reconsideration for acceptance to the following counseling year. In order for the student to be reconsidered for acceptance into a later cohort, he or she must petition the counseling faculty and the Academic Council in writing, addressing the issues raised by the faculty and demonstrating ability to finish the major year. If accepted, the student would be expected to complete the remainder of the 32 hours that year. A stop-out will be for no more than one academic year, and only one stop-out will be granted per student.

## FINANCIAL AID

Nazarene Bible College offers financial aid in the form of grants, scholarships, and loans. Federal aid includes the Pell Grant, Supplemental Educational Opportunity Grant (SEOG), and Federal Direct Loan Programs, which provide long-term, low interest loans. In addition, the college offers a limited number of scholarships that are institutionally funded. An individual student's financial aid package may be comprised of one or more of these types of aid. Qualifications for such aid should be discussed with an NBC Academic Advisor. Students are encouraged to visit the Federal Financial Aid website at <http://www.studentaid.ed.gov/sa/fafsa>. The NBC code is 013007. Consumer information related to the financial aid programs of Nazarene Bible College, its policies and procedures, and student eligibility may be obtained by contacting the Director of Financial Aid.

Generally, financial aid is tailored to help meet the needs of the student, but both the student and the college must recognize that the primary responsibility for paying college expenses rests with the student.

Eligibility for the various types of aid is determined by analyzing the information provided on the Free Application for Federal Student Aid (FAFSA). The student may apply for one or more types of aid depending upon qualifications and the funds available. The student must be enrolled for at least four hours and be in good academic standing to be eligible for federal aid. However, the student may, in certain cases, be eligible for a Federal Pell Grant for enrollment of less than four hours. Students must be enrolled in and attend at least four credit hours to receive loans. Financial aid is disbursed in even amounts over the student's scheduled enrollment period for the current academic year. Students may have one or more disbursements based on their enrollment period and their academic program. All disbursements will be credited to the student's account.

*A student must reapply each year for federal aid. The Director of Financial Aid is responsible for the administration of all financial aid funds.*

### Return of Title IV Funds

Nazarene Bible College follows the federal return of Title IV funds provisions for federal aid recipients. Under these provisions, when a recipient of federal Student Financial Aid (SFA) funds withdraws from the college, the college must determine the amount of SFA funds earned as of the student's official withdrawal date as determined by the school.

Students who leave school and cease to attend all courses within a term, without completing the official withdrawal process, are also subject to a return of funds calculation. In this case, the financial aid office will use the last day of class attendance recorded in the school database to calculate the amount of SFA funds earned.

If the total amount of funds earned is less than the amount disbursed, funds will be returned to the appropriate SFA programs. If the total amount of SFA funds earned is greater than the total amount of funds disbursed, the difference between these amounts may be treated as a post-withdrawal disbursement.

If a student withdraws from any or all classes in a term, or drops below half-time status, the business office will determine, based on refund policies, if any refund of tuition is due on the student's account. At that time, it will be determined if any portion of Title IV funds must be returned to the federal aid programs. The student is responsible for paying any balance due resulting from the return of funds to the Title IV Federal Aid programs.

### **Limitation**

A student not officially pursuing a degree is not eligible for federal aid.

### **Forfeiture**

A student placed on probation because of disciplinary or academic reasons may forfeit all rights to financial assistance. The suspension process includes three steps: warning, suspension with opportunity for appeal, and removal from aid eligibility. The entirety of this process can be found in the Satisfactory Academic Progress policy listed at <http://www.nbc.edu/financialaid/index.php>. During any given term, if a student falls below four credit hours because of a dropped or withdrawn course, institutional scholarship aid is also forfeited at the rate of refund listed in the Policy on Refunds section. Graduating seniors may be given special consideration.

### **Alumni Matching Grant**

A special matching grant is available to degree-seeking students according to the following policy: Funds given by the student's home Church of the Nazarene will be matched (as funds are available) by the Alumni Matching Grant up to \$150.00 once per trimester when requested by the church. Matching funds cannot exceed actual cost of tuition/fees.

### **Veterans Benefits**

Nazarene Bible College is approved for the training of veterans. At the present time, the specific approved programs for which the veteran may receive educational benefits are the Bachelor of Arts in Ministry (B.A.Min.), the Associate of Arts in Ministry (A.A.Min.), and the Ministry Preparation Program (MPP).

VA students should go to [www.gibill.va.gov](http://www.gibill.va.gov) to apply for benefits or to make benefit changes. Questions may be directed to the business office.

## **VETERANS ADMINISTRATION REQUIREMENTS**

To maintain certification for Veterans Administration benefits, a student must earn a grade point average of 2.0 or better. Failure to do so will result in Academic Probation. If the student does not meet minimum requirements for three successive

trimesters, the student will be placed on academic suspension and will be ineligible to enroll in the next trimester. Please see the Academic Probation section of the Catalog for more details.

A student may receive benefits for repeating a course if that course is required in the program of study. The law prohibits payment of benefits for courses not included in a student's program of study or courses from which the student withdraws. Payment of tuition and fees is allowed for courses taken by directed study.

Nazarene Bible College permits any individual who is entitled to educational assistance under Chapter 31, Vocational Rehabilitation and Employment, or Chapter 33, Post-911 GI Bill Benefits to attend or participate in the course of the education whereupon the student provides a Certificate of Eligibility (COE) for entitlement to educational assistance or appropriate Statement of Benefits no later than the first day of the course. The COE is to be obtained from the VA by the student and then provided to the School Certifying Official (SCO) upon receipt.

Nazarene Bible College does not impose late fees or denial of access to courses, library services, or other institutional facilities upon a student whose Chapter 31 or Chapter 33 disbursements funding is delayed. For the same, NBC does not require a student to borrow any additional funds to cover tuition charges when experiencing disbursements delays.

Whereas it is the policy of Nazarene Bible College that all students are fully responsible for the tuition and fees listed on their student ledger, students who are covered by VA, Military TA, or Vocational Rehabilitation benefits are fully responsible for tuition and fees not covered by disbursed funding.

It is the responsibility of any student covered by VA, Military TA, or Vocational Rehabilitation benefits to maintain their ledger, academic progress, and any documents required by the appropriate sponsoring agency. Nazarene Bible College is able and willing to help students complete document requirements as legally permissible.

# ACADEMIC POLICY

# ACADEMIC POLICY

---

To facilitate advancement by students toward reasonable academic goals, Nazarene Bible College provides policies and procedures for the academic life of the institution. Persons preparing for service to God, the Church, and society may be assured that their progress is efficient and thorough by observing patterns that have been proven with time.

## ACADEMIC CALENDAR AND CREDIT HOURS

Nazarene Bible College employs the trimester calendar format to schedule its course offerings. The college uses the semester credit hour as its unit for awarding and recording academic credit.

The school's Fall, Winter, and Spring trimesters consist of two six-week sessions, with a one week break between sessions, and a two-week break during the Christmas holidays. There is also a one week break between each trimester. The college's Summer term is ten weeks in length, and consists of two six-week sessions with overlapping end/start dates.

NBC's semester credit hour is based on the U.S. Department of Education's determination that one hour of college credit requires, on average, 37.5 hours of engaged learning for every credit earned. As an example, a three-credit hour course will require a student to invest, on average, 112.5 hours per course.

## COURSE LOAD

A student is considered full time when enrolled for eight or more semester hours per trimester. Students should determine the number of hours they take per trimester based on their desired graduation date and the personal resources required to perform well academically. A student desiring to take more than 13 hours must have at least a 3.5 grade point average for two consecutive trimesters and obtain the approval of the academic dean.

Online students may take two courses per online session if they have a minimum cumulative GPA of 3.00. Online students may not take more than two courses per online session. An exception is allowed when one of the courses in which students are enrolled is a course whose requirements are fulfilled over two or more sessions. Examples include: REQ4000 Graduating Colloquium; PAS4092 Senior Ministry Integration; MPP1232 Supervised Ministry Experience. Students should contact their advisors for additional details.

AdVantage students must submit a request to their advisor for permission to take more than one course a session. To be considered for approval, the student must not have a full-time job and must have at least a 3.3 cumulative grade point average in the AdVantage program.

## **CLASSIFICATION OF STUDENTS**

- A freshman is a student who has completed less than 30 or 32 semester hours, as specified by their degree's requirements.
- A sophomore is a student who has completed between 30-59 or 32-63 semester hours, as specified by their degree's requirements.
- A junior is a student who has completed between 60-89 or 64-95 semester hours, as specified by their degree's requirements.
- A senior is a student who has completed at least 90 or 96 semester hours, as specified by their degree's requirements.

## **ACADEMIC ADVISING**

Academic advising is the process and system by which students plan their academic programs with the help of an academic advisor. The advisor provides direction to students for program planning and scheduling of classes, and provides support in enrollment and college business needs.

## **REGISTRATION**

Academic advisors will instruct students in registration procedures. Changes in registration are to be initiated through the academic advisor who will ensure all procedures set by the registrar's office are followed.

A student may add or drop an online course by the end of the third day of the first week of classes. The dates are noted on the academic calendar.

## **CHANGE OF ENROLLMENT**

A student who desires to add a course, withdraw from a course, or in any way change his/her class schedule, must complete a Change of Enrollment form available in the course syllabus. The change will not become official until the academic advisor processes the forms and notifies all offices. The deadlines for making schedule changes are published in the academic calendar.

A student desiring to withdraw from a course should contact his/her advisor. The advisor will confirm the withdrawal with the online student and submit the change of enrollment form to the registrar's office, at which point the withdrawal becomes official.

A change of enrollment could affect a student's financial aid. Please contact the student financial aid office for further information.

Since the AdVantage sequence of courses is prescribed, the student will be scheduled for all courses in the program and is expected to maintain his or her cohort and course sequence throughout the two years. Changing cohorts or withdrawal from the program may only be done after consultation with the student's academic advisor. Salvation Army students must have permission from the territorial education officer.

**Withdrawing from a course is only permitted prior to the 4th week of classes for online students. A student may not withdraw from a course after this point and will receive a grade of “WF” for the class if he/she fails to attend.**

## **WITHDRAWAL FROM THE COLLEGE**

Any student desiring to completely withdraw from a trimester, or the college, should contact his/her advisor. The advisor will confirm the withdrawal with the student and submit the complete withdrawal form to the registrar's office, at which point the withdrawal becomes official.

Failure to attend classes will not constitute an official withdrawal. Tuition will not be refunded, and grades will be recorded as “WF” for a student who stops attending classes without going through the formal withdrawal process. **Official withdrawal is only permitted prior to the 4th week of classes for online/AdVantage students. Failure to attend classes without formally withdrawing may also impact student eligibility for all institutional, state, and federal aid assistance. See Financial Aid policies for further information.**

## GENERAL EDUCATION

Nazarene Bible College is an undergraduate, professional school of ministry; therefore, programs concentrate on preparation for ministry. However, each degree program also recognizes the importance of breadth in the educational experience and requires courses of a more general nature.

The associate degree programs require specific general education courses in English, history, communication, mathematics, science, and psychology. In addition to these requirements, the baccalaureate degree programs require courses in sociology, ethics, and religious culture, and offer students the opportunity to select, or transfer in, courses from a broader cluster of general education fields.

Elective general education courses may include courses not designated as a required course for the student's chosen major. In addition, designated independent studies and seminars in advanced applications may be acceptable elective general studies credits.

Many of the students at Nazarene Bible College come with prior education. The college recognizes the strength of prior experience and schooling, and intends to build on it. Transfer credit for the general education core is encouraged in areas that would enhance the student's education. Any questions regarding transferability of general education courses can be directed to the registrar's office.

## COURSE NUMBERING SYSTEM

Nazarene Bible College uses a closely structured schedule of courses that most students will follow. The course numbering system may inform decisions about elective courses and help in the interpretation of transcripts. Course numbers include a three-letter prefix which identifies the subject field and a four-digit number which indicates the level, sequence, and credit hours of the course. The first digit indicates the level of the course. Courses in the 1000 range are generally entry level courses most often taken during the freshman year; 2000 courses are normally sophomore level; 3000 courses are usually junior level; and 4000 courses are the most advanced courses offered, usually reserved for juniors and seniors. The second and third digits distinguish between courses within a subject field and generally suggest the sequence in which courses in that field would be taken. The fourth digit indicates the number of credit hours for the course.

## ATTENDANCE POLICY

Regular class attendance is required because a Nazarene Bible College education assumes that significant learning takes place in the online classroom.

***Attendance Policy for Online Courses:*** Students are required to attend the virtual classroom at least five out of seven days each week. Any absences may result in the loss of points as detailed in the class syllabus.

A 1% grade reduction will be made for each missed day of required attendance. No credit and a grade of "WF" (failure due to non-attendance) will be given after a student misses more than a total of nine required days of attendance in a class or if a student fails to attend in any given week without formally withdrawing.

Online students who do not log in to their class by day four of week one and have given no notification to any staff or faculty member may be dropped from the course prior to the drop deadline.

**Attendance Policy for ALL Courses:** Failure to attend class will not constitute withdrawal from the course. Tuition will not be refunded, and grades will be recorded as "WF" for a student who stops attending class without going through the formal withdrawal process. Failure to attend may also impact student eligibility for all institutional, state, and federal aid assistance. See Financial Aid policies for further information.

NBC will work with active and reserve duty military personnel in order to avoid penalties associated with absences that are due to special deployments or assignments, either through arrangements with the instructor to make up class time missed or through enrollment in an online version of the course.

## RESIDENCE REQUIREMENT

Residency is defined as classes taken at NBC either on campus or through the online program. At least 25% of the hours required by any degree program must be earned in residence. Students with a previous baccalaureate or higher degree enrolling in a degree program at NBC must complete a minimum of 32 hours in residence.

## GRADING SYSTEM

Numerical values (grade points) are assigned to letter grades and recorded on the student's transcript as follows:

A	= 4.0	B+	= 3.3	C+	= 2.3	D+	= 1.3	F	= 0
A-	= 3.7	B	= 3.0	C	= 2.0	D	= 1.0	WF	= 0
		B-	= 2.7	C-	= 1.7	D-	= 0.7		

"W" (withdraw), "I" (incomplete), and "IP" (in progress) are not included in the calculation of grade point averages.

The grade of "IP" indicates a course that is "In Progress," and is not completed at the end of the term of registration. Such a course is designed to last more than one term. How long an IP will last is determined by the course and is clearly stated in the syllabus.

**Change of grade:** After a final grade has been submitted, or an "I" or "IP" has been changed to a letter grade, a change of grade may be made only if it is demonstrated that a computational error was made. **Students may not dispute a grade if more**

than 60 days have passed since the grade was submitted to the registrar.

## REPEAT POLICY

The first grade earned for a course will not be included in the student's GPA if the student elects to take the course a second time and earns a higher grade for the course. If a student chooses to take the class a third time, or additional times, the grade(s) for the additional attempts will be included in the student's GPA and CUM GPA.

## INCOMPLETE WORK

Incomplete ("I") indicates unfinished work at the end of a course due to extenuating circumstances. A student must request the "I" from the instructor, justifying the reason for that request. When granted, "I" grades must be removed by the end of the following term. The final grade will be submitted based on the work completed by the student in the class at that point. An incomplete incurred during the spring trimester must be removed by the beginning of the fall trimester. For online classes, an incomplete may only be given if the professor believes the missing work does not require the interaction of other students in the class.

## CUSTOMIZED AND SPECIALIZED STUDIES

**Customized studies** may be taken either as a directed study or an independent study. No more than one such customized study will be allowed in an associate of arts degree program and no more than three in a baccalaureate degree program. For approved customized studies, there will be an additional fee of one-half the regular tuition rate. Application forms are available in the registrar's office. **Customized study work must be completed in the trimester for which it was approved.**

**Directed Study:** a course listed in the catalog that a student may apply to take when schedule conflicts and/or other circumstances prevent the student from taking the course during the scheduled class time. Course requirements for directed studies will be equivalent to those of the regular course. Typically, a student must be in the final year of his/her NBC career and have a strong GPA. Application to and approval by the academic dean is required.

**Independent Study:** a course specially designed to relate to a student's needs, interest, and anticipated ministry that may be undertaken by qualified students. The approval of the academic dean and a supervisory faculty member is required. In exceptional circumstances, approval by the Academic Council may be required.

**Specialized studies** are taken under the direction of faculty for academic credit outside the campus or online classroom. Such studies include the Capstone Project, Senior Ministry Integration, and Residency. Please note: *If a program requires an internship or field placement, the student might be required by the church, school, or other organization to complete a background check before beginning the field placement.*

**Capstone Project:** The Capstone Project is designed to provide the student with the opportunity to show an immediate and direct application of principles learned in the Leadership and Ethics (L & E) major to the student's ministry or work setting. In addition, the project will demonstrate an application of sound biblical and theological principles to a leadership model.

**Residency:** In the fourth year, a student may apply to the Academic Council for permission to serve as a staff member in an approved local church. This program is intended to be an in-depth, actual ministry experience and is different from the Senior Ministry Integration, which deals primarily with issues of integration of theory and practice of ministry.

**Senior Ministry Integration:** During the senior year, each student is required to take Senior Ministry Integration or an equivalent field education study. This course is designed to integrate classroom learning with practical ministry experience. Students engage in 100 hours of supervised, hands-on ministry activities over a period of two consecutive academic terms earning two semester credits. Individualized learning contracts defining the specific objectives and ministry activities are determined by the student, pastor mentor, and faculty supervisor in conjunction with established course requirements.

## INTERVENTIONS FOR SUCCESS

A student is required to participate in three intervention events to improve the likelihood of success as a student and in ministry: Introduction to Online Learning/Online Orientation, NBC Experience, Ministry Progress Review, and Graduating Colloquium. All intervention classes are required for graduation.

**Introduction to Online Learning/Online Orientation:** All online students must complete a two-week software/policy orientation before taking any classes. The course explores the various technologies used in the online delivery system, discusses proven methods for doing successful online work, reviews all the college policies related to online courses and demonstrates various research techniques using the college library and other resources available to online students. In order to enhance student success, students are limited to one course in their first session, and no student may take more than two classes in one session.

**NBC Experience:** an orientation to the NBC culture required during the second sessions of all online students' schedules. The purpose of this course is to integrate new students into the life of the college, to initiate spiritual formation principles and activities, to help students and advisors become better acquainted, and to prepare students for college life.

**Ministry Progress Review:** interviews conducted during a student's *second* year in which a student's progress in the preparation for Christian service is reviewed. Faculty interviewers provide advice, correction, and encouragement in this intervention. AdVantage students will complete this requirement during their first year of enrollment.

**Graduating Colloquium:** a capstone experience for all B.A.Min. students during their *final* year designed to address the initial ministry assignment needs of the graduating student, synthesize the academic and practical facets of the student's education in anticipation of future placement in ministry, and bring closure to the student's time at Nazarene Bible College.

## ACADEMIC HONESTY

Honesty in all academic endeavors is vital as an expression of the Christian life. It is required that students at Nazarene Bible College do **not** participate in cheating, plagiarism\*, or other forms of academic dishonesty, nor encourage and condone such behavior by permitting it and/or allowing it to go unreported. All assignments must be the student's original work for the course in which the material is submitted. When the work is not the student's own, proper credit must be given to the source of the information.

Academic dishonesty is a serious violation of morality and of academic integrity. The minimum penalty for academic dishonesty will be failure of the assignment. More stringent measures may include failure of the course, disciplinary probation, or disciplinary suspension.

**Identity Fraud:** Committing identity fraud is considered particularly serious and could have legal as well as institutional implications. Any student who has another individual impersonate or in any other way commit identity fraud in any course, assignment, exam, or any type of academic exercise will be permanently suspended from NBC.

*\*Plagiarism is using another's words or ideas as one's own without properly crediting the original source.*

## ACADEMIC HONORS

Academic honors are announced by the academic dean each trimester. Honor students must carry at least eight hours per trimester and achieve the following grade point average: Dean's List—3.70 to 4.00; Honor Roll—3.30 to 3.69. Graduating with scholastic honors is a designation for those persons completing their degree programs with a cumulative GPA of 3.70 or higher. Persons graduating with scholastic honors will be designated by the privilege to wear gold cords during the commencement ceremonies.

## ANNUAL AWARDS

**Delta Epsilon Chi:** Each year the faculty of NBC may elect a number of graduating seniors to the distinction of membership in *Delta Epsilon Chi*, the honor society of the Association for Biblical Higher Education. These students must have achieved a cumulative grade point average of 3.70 or higher. They must exhibit Christian character and leadership ability. The name of this society means "Approved in Christ" as taken from the first Greek letter in each word of this phrase found in Romans 16:10.

**The Evangelism Award:** This award was established in 2011 and is provided by the Chic Shaver Center for Evangelism. The award recognizes the importance of highlighting evangelism among our pastors and people. A graduating senior or student entering the senior year is selected by the administration at the recommendation of the evangelism professors of Nazarene Bible College. The award is given as recognition to the person who “shows the greatest concern for and effectiveness in reaching lost people for Christ.”

## **ACADEMIC PROBATION**

In order to ensure that students at Nazarene Bible College are making satisfactory progress toward their academic goals, the college has instituted a system of academic probation. The following categories will apply to students who experience academic difficulties:

### **1. Academic Warning**

A student whose term or cumulative grade point average falls below "C" (2.0) for a trimester will be placed on academic warning for the next trimester of enrollment. Appropriate counseling will be initiated.

### **2. Academic Probation**

A student whose term grade point average is below 2.0 for any trimester while on academic warning will be placed on academic probation. Counseling will be provided to improve the quality of the student's work.

### **3. Academic Probation with Restriction**

A student on academic probation whose term grade point average falls below 2.0 during the probationary term will be placed on academic probation with restriction. The student will be restricted to a reduced course enrollment that will include only those courses approved by the student's advisor and the academic dean.

### **4. Academic Suspension**

A student on academic probation with restriction and whose term grade point average falls below 2.0 in the next trimester of enrollment will be placed on academic suspension and will be ineligible to enroll the next trimester. Re-admission requires that a signed request be submitted to the Academic Council through the Office of Academic Affairs, in which case the student, if re-admitted, will be placed under probation with restriction status for the next trimester of enrollment.

Student financial aid could be affected by academic probation and/or academic suspension status. The student must consult with the Office of Financial Aid.

Nazarene Bible College has established a system of due process for students who wish to challenge a grade received in a class or any adverse action taken by the college due to academic dishonesty. This system contains the following components to be completed in the order listed:

1. The student should consult with the faculty member of the course in question. The student should state the concern(s) in a written petition, including all the significant details. The faculty member is expected to answer with a written response.
2. Should the student's concern remain unsatisfied, the original petition and faculty response should be submitted to the academic dean for presentation to the Academic Council. The Academic Council may rule on written statements alone or may choose to speak with both the student and concerned faculty member. The Academic Council may require corrective action by the faculty member or may uphold the written decision of the faculty member.
3. If the student's concern still remains unsatisfied, the same process may be followed by the President's Cabinet. Decision by the President's Cabinet is final.

## CATALOG RIGHTS STATEMENT

A student may graduate under the provisions of the *NBC Catalog* published for the year in which he/she graduates or any *NBC Catalog* published for the immediate three academic years prior to his/her graduation, provided he/she was a three-quarter-time student during the year of the chosen catalog. A student may not acquire the right to graduate under provisions taken from more than one catalog except by agreement with the academic dean. Official termination of a program is not covered by this catalog rights statement.

## GRADUATION

Students are responsible to ensure that their records are complete and all requirements for graduation have been met.

Nazarene Bible College will **post degrees** four times each academic year: the Monday following the last day of class for each of the fall, winter, spring, and summer terms.

A graduation application is required to complete and post a degree and indicate participation in Commencement. Students are to complete the **Intent to Graduate** form available in the **Student Center and Resources** link at [www.online.nbc.edu](http://www.online.nbc.edu). A student is required to make application no later than February 1<sup>st</sup> of the academic year for participation in the commencement exercises. A \$60 graduation fee is required and will be posted to the student's account. **Note:** This fee will be applied to the student's account upon successful processing of the application. A graduation/commencement application form will not be considered complete and a diploma will not be issued without appropriate payment.

Students will be allowed to participate in commencement exercises provided the following stipulations are met:

1. degree requirements (see Academic Programs section) by the end of the academic year (summer term).
2. nine or fewer hours remaining after the spring term.
3. a written plan to complete the remaining hours, signed by the student and advisor, and filed in the registrar's office. [The plan must include preregistration in the applicable courses.]

The degree will not be granted until all requirements are met.

## **TRANSCRIPTS**

Unofficial transcripts are available at no cost to current and former students through the student portal at <https://portal.nbc.edu/student/login.asp>. Official transcripts are released only if all financial obligations are satisfied and the student has signed a written request authorizing the release of the transcript. To submit a request for official transcript, go to [www.transcriptsplus.net/order](http://www.transcriptsplus.net/order), click on the "Order a Transcript" link, and select Nazarene Bible College from the list of institutions. Then follow the prompts to submit the request on that site. Requests will not be accepted by mail or fax. There is a fee for issuing transcripts.

# ACADEMIC PROGRAMS

# ACADEMIC PROGRAMS

---

Nazarene Bible College offers two degrees: The Bachelor of Arts in Ministry (B.A.Min.), and the Associate of Arts in Ministry (A.A.Min.).

The Bachelor of Arts in Ministry degree is offered through two degree structures—the traditional degree structure and the AdVantage accelerated degree structure.

The college's traditional degree structure provides entrance to all of the college's majors. The school's accelerated bachelor's degree completion program, AdVantage, provides entrance to majors in Counseling for Christian Ministries, Leadership and Ethics, and Pastoral Leadership.

The Associate of Arts in Ministry degree offers concentrations in Christian Educational Ministries, Church Ministries, and Hispanic Pastoral Ministries.

The Sourcebook on Ordination: United States of America Edition, 2015, published by Clergy Development, Church of the Nazarene, stipulates the requirements for elder or deacon ordination within the Church of the Nazarene. The B.A.Min. degree with a major in Pastoral Ministries or Pastoral Leadership meets requirements for the elder ordination course of study as outlined in the Sourcebook. The B.A.Min. degree with a major in Christian Educational Ministries meets the requirements for the deacon ordination course of study.

Students seeking ordination in the Church of the Nazarene should note that the individual districts have autonomy in determining which courses fulfill the educational requirements and student readiness for ordination. In some cases, the District Board of Ministry may require additional coursework before recommending assembly action to graduate the candidate from the Course of Study.

Students from traditions other than the Church of the Nazarene are welcome to pursue ministerial training at Nazarene Bible College. Fulfilling ordination requirements in one's respective denomination, however, will be the responsibility of the individual student.

In addition to the B.A.Min. and A.A.Min. degrees, Nazarene Bible College offers two non-degree programs: Ministry Preparation Program (MPP) and El Programa de Preparación Ministerial (PPM). These programs meet the requirements for the elder ordination course of study for the Church of the Nazarene. These programs are currently not approved for Federal Financial Aid.

# BACHELOR OF ARTS IN MINISTRY

---

The Bachelor of Arts in Ministry (B.A.Min.) degree is composed of three components: The General Education Core, the Bible and Theology Core, and a selected major. Students may choose from the following **major** areas of study:

- Bible and Theology
- Christian Educational Ministries
- Counseling for Christian Ministries
- Leadership and Ethics
- Pastoral Leadership
- Pastoral Ministries
- Hispanic Pastoral Ministries

In addition, a student may fulfill the requirements for one of the following **minor** areas of study:

- Christian Educational Ministries
- Leadership and Ethics
- Pastoral Ministries

Student enrollment affects course scheduling and availability. The college purposes to provide students with the opportunity to complete their major in a timely manner. However, if low enrollment causes courses not to be offered when desired by a student, the student should work with their academic advisor to determine an acceptable alternative.

## **MINISTRY PREPARATION PROGRAM**

The Ministry Preparation Program (MPP) exists to prepare men and women for ordination as an elder or deacon in the Church of the Nazarene through a series of courses that earn one semester hour of credit each. Two variations of the program exist. The first is based on Nazarene Bible College's 25-course ordination curriculum validated by the Regional and International Course of Study Advisory Committees (RCOSAC/ICOSAC) of the Church of the Nazarene as an approved curriculum for achieving ordination education requirements. The second variation is based on the Church of the Nazarene's modular program, which is likewise validated by RCOSAC/ICOSAC. Students may choose which option they wish to pursue, pending the approval of their respective districts. Students should note that the individual districts in the Church of the Nazarene have autonomy in determining which courses fulfill the educational requirements for ordination. Students should consult with their respective district ministry board to determine what courses are required for ordination by that district.

A certificate of completion is given to those who successfully complete 12 or more ordination courses at NBC (provided that the remaining required courses have been accepted as transfer credit). Up to 13 courses may be transferred from other colleges or through an Alliance District Training Center portfolio program. The MPP Certificate verifies that all ordination classes were taken and completed at a college-level of instruction. Further information may be found at [www.nbc.edu/programs/ministry-preparation-program.php](http://www.nbc.edu/programs/ministry-preparation-program.php).

## **EL PROGRAMA DE PREPARACIÓN MINISTERIAL**

El Programa de Preparación Ministerial (PPM) existe para preparar a los hombres y mujeres para la ordenación como presbíteros o diáconos en la Iglesia del Nazareno por medio de una serie de cursos que valen una hora semestral de crédito cada uno. El programa está basado en el plan de estudios de ordenación de 25 cursos de Nazarene Bible College aprobado y validado por el Comité Consultivo Regional del Curso de Estudios (RCOSAC) de la Región EUA/Canadá y el Comité Consultivo Internacional del Curso de Estudios (ICOSAC) de la Iglesia del Nazareno. Este programa es un plan aprobado para lograr los requisitos educativos para la ordenación. Los estudiantes deben tener en cuenta que los distritos individuales en la Iglesia del Nazareno tienen autonomía en la determinación de cuáles cursos cumplan con los requisitos educativos para la ordenación. Los

estudiantes deben consultar con su respectivo Junta Ministerial del Distrito para determinar qué cursos son necesarios para la ordenación por ese distrito.

Se otorga un certificado de finalización a aquellos que completen con éxito 12 o más cursos de ordenación en NBC. Un Certificado de Finalización será concedido por NBC a los estudiantes que terminan con éxito los cursos para la ordenación con un mínimo de 12 cursos hecho por medio de NBC. (siempre que los cursos requeridos restantes hayan sido aceptados como créditos de transferencia). Podría recibir crédito por transferencia hasta 13 cursos desde otras universidades o a través del programa de portafolio de un Centro de Entrenamiento Distrital de la Alianza de Nazarene Bible College. El Certificado de PPM verifica que todos los cursos para la ordenación fueron tomados y finalizados por un nivel universitario de instrucción. ## STUDENT SUCCESS PHILOSOPHY

The founding of Nazarene Bible College (NBC) was authorized in 1964 by action of the General Assembly of the Church of the Nazarene. The college joined eight liberal arts colleges and a graduate seminary as part of the Nazarene educational family. Within two years of assembly action, a governing board was elected for the new Nazarene Bible College, a founding president was named, and Colorado Springs, Colorado, was chosen as the site for the college.

Within the plan to establish Nazarene Bible College, the supporting leadership of the denomination urged three descriptors they felt should be characteristics for NBC. First, the college should be characterized as biblical higher education; second, the college should be characterized as preparing persons for the Christian ministry, especially within the Church of the Nazarene; and third, the focus in student recruitment should be for second-career adults. These features of the college remain today as the primary and most observable identifiers of NBC.

The college continues to fulfill its purpose and mission in all programs and strives to live by its core values and achieve its educational objectives. As this is accomplished, a student will not only grow academically, but will also grow toward wholeness spiritually, socially, and emotionally. To that end, the Office of Enrollment Management provides activities and services that assist a student in his/her own process of growth.

## STUDENT SPIRITUAL DEVELOPMENT

There are various spiritual development components of biblical knowledge, faith formation, and mentoring offered through the online classroom experiences and interaction with faculty. Because spiritual development is enhanced through ministry involvement in local churches, allowing students to report Christian service time is one way that development through a local church is recognized.

## ADMINISTRATIVE SERVICES

Faculty members and administrators have a virtual open-door policy toward all students for encouragement, prayer, and guidance.

- The president of the college is readily available to students.
- The vice president for academic affairs advises students regarding their general educational plans, choice of programs, vocational planning, curricular problems, difficulties with study, and withdrawals from college.
- The admissions office, under the direction of the vice president for enrollment management, assists students in application and acceptance to the college.
- The academic advising office advises students regarding enrollment in their academic programs.

- The vice president for finance advises students regarding tuition, expenses, and emergency assistance.
- The director of financial aid gives guidance relating to student aid programs and scholarships.
- The registrar assists students with academic records, credit transfer, and attendance policies.
- The business office (bursar) handles all questions related to charges on the student account and is responsible for Military and Veterans Education Benefits.

## **COUNSELING SERVICES**

Counseling resources are provided to students in a variety of ways. Faculty members, administrators, and staff seek to be models of Christian care to all students and try to be alert to student needs.

## **PUBLICATIONS**

The *NBCCommunicator* is published weekly by the president's office to keep students and faculty informed of current announcements. Students can find weekly updated issues online in the student portal. Information and announcements published through the *NBCCommunicator* are considered "official notification."

## **STUDENT REGULATIONS**

### **Student Handbook**

An updated student handbook is posted on the NBC website at the beginning of each academic year. This handbook contains basic guidance and regulations governing student life. Each student is expected to read and follow its instructions.

### **Conduct**

Guidelines for student conduct at Nazarene Bible College are few but important. Failure to live up to these guidelines may result in discipline, suspension, or dismissal. The guidelines of conduct are enforced. Conduct listed in items 1–9 is prohibited.

1. Any conduct that could lead to physical injury or property damage.
2. The use of obscene or profane language.
3. The failure to act with financial responsibility for bills, including rent of house or apartment.
4. The use of tobacco in any of its forms.
5. The use or possession of alcoholic beverages, narcotics, addictive or hallucinatory drugs. The college reserves the right to require a test for drugs upon probable cause.
6. The use of pornographic materials in any form, including pornographic

sites on the Internet.

7. Unmarried students making housing arrangements with unmarried persons of the opposite gender.
8. Untruthfulness, dishonesty in any relationships.
9. Plagiarism and academic dishonesty. Students should neither participate in cheating nor encourage cheating by allowing it to go unreported. (See academic policy statements that deal with consequences of plagiarism and academic dishonesty.)

Students are also to acknowledge the following:

10. The college affirms the biblical teaching that sexual intimacies are to be shared as God's gift within the context of a committed marriage relationship between a man and a woman. Students who demonstrate an attitude of disrespect toward this standard may be subject to disciplinary action.
11. Students will be held accountable for material that is posted on their personal web site, whether they posted that material or not.
12. Students will be held accountable for behavior that they confess to on Facebook or other social networking sites and postings.
13. Students who are convicted of a felony while enrolled at NBC will be subject to immediate disciplinary suspension.

The following categories of discipline will apply to students who experience conduct and/or character difficulties.

## **Discipline**

Students who fail to observe college regulations will be subject to one or all of the following disciplinary procedures:

1. Consultation with the Academic Dean's office.
2. A required appearance before the student care committee composed of the director of student success, one counseling faculty member, one additional faculty member, and one staff member.
3. Dismissal from college.

## **Due Process**

Student rights to due process in disciplinary procedures are specified in the current Student Handbook.

## **Drug-Free Schools and Campuses Amendment**

In compliance with the Drug-Free Workplace Act of 1989 and Drug-Free Schools and Campuses Amendment of 1989, Nazarene Bible College clearly prohibits the unlawful possession, use, or distribution of drugs, alcohol, and unlawful substances by students and employees or as any part of campus activities. A copy of the statement of policy is distributed annually to all students and employees.

## **Student Consumer Information**

Prospective and enrolled students may obtain complete consumer information concerning financial assistance costs, eligibility, and programs by contacting the financial aid office.

## **Campus Crime Awareness**

Whereas as of June 1, 2020, Nazarene Bible College (NBC) is a distance education-only school which no longer has a physical campus and therefore students do not go to a physical location to participate in school except for the annual graduation ceremony, NBC is exempt from Clery compliance according to The Handbook for Campus Safety and Security Reporting, pp. 1-3 and 1-41. Historic documentation is available at <https://www.nbc.edu/security/security-report.php>.

## **Privacy Act (FERPA)**

Nazarene Bible College complies with the Family Educational Rights and Privacy Act of 1974 (FERPA) which gives students the right to know what information the college maintains about individual students, the right to ensure the accuracy of that information, the right to know who has access to files of information and for what purposes, and the right to control to a significant extent the distribution of that information outside the institution.

The college considers some information to be directory information which may be disclosed to others without student permission. This includes, but is not limited to, items such as name, address, telephone number, e-mail addresses, photographs, dates of enrollment, classification, full or part-time status, degree(s) received, awards, honors, program of study, previous institutions attended, date and place of birth, and participation in activities. If a student does not want this information released, he or she must submit a Request to Prevent Disclosure of Directory Information form to the registrar's office. This request remains in effect until revoked in writing by the student.

Educational records will not be released to individuals other than the student except as provided for by FERPA. This provision includes: (1) A parent who claims a student as a dependent on their most recent federal income tax form. The parent must submit a Parental Affidavit for Academic Information to access the student's record. (2) A person to whom a student grants access to his/her educational record by submitting a Student Consent for Release of Records. Consent for release of records will remain in effect unless rescinded by written request from the student.

Information regarding FERPA and forms necessary to withhold or release information may be obtained through the registrar's office.

## **Career Services**

The ministry is both a profession and a calling. It is essential that both areas are developed and enhanced. Nazarene Bible College is committed to academic and practical programs designed to educate students for service and leadership. The faculty works hard to make the online classroom a learning and stretching experience. The administration spends much of its time in advisement, public awareness of the value of our students. However, Nazarene Bible College does not guarantee job placement.

The College offers the following Career Services through various offices to facilitate students'/graduates' job searches:

1. Recommendations – Administrators and Faculty members are pleased to provide recommendations for individual students upon request.
2. Academic records will be sent by the Registrar's Office for students/graduates with a zero account balance upon written request from the student/graduate.
  - An official academic transcript may be requested online by the student/graduate through TranscriptsPlus.
  - NBC students can access a digital, unofficial version of their academic transcript through their student portal.
3. Christian Service Opportunities
  - The NBCommunicator publicizes open ministry positions submitted by Nazarene Districts for NBC students'/graduates' consideration.
  - A listing is published in NBCommunicator at the sole discretion of NBC leadership and does not presuppose a recommendation, endorsement, or act as a testimonial for the church, ministry, or student applicant.
  - To submit an open ministry position, please contact the Executive Assistant to the President's Office.

## **Interventions for Student Success**

Each degree-seeking student regardless of major or denominational affiliation will take a Student Development Inventory (SDI) three times during their degree program at NBC. The SDI will be taken during the following courses: NBC Experience (beginning), Ministry Progress Review (mid-point) and Graduate Exit Interview (conclusion). All NBC students are required to participate in this process regardless of denominational affiliation.

# ALLIANCE FOR MINISTRY EDUCATION

## PHILOSOPHY

The *Alliance for Ministry Education* is a voluntary organization of district training centers within the Church of the Nazarene in the United States that prepares men and women for ministry in their own communities. While the *Alliance* is not an educational program of Nazarene Bible College, it is a collaborative program to assist district training centers in preparing men and women for Christian ministry. NBC is an *Alliance* member and a partner with a broad number of district training centers. Although NBC has no legal or accreditation connection with district training centers, it acts in consultation with these centers in areas of academic excellence and good practice, curricular development, and faculty qualification and development.

## RELATIONSHIP

In 1983, the Board of General Superintendents designated Nazarene Bible College as the educational training entity for adult ethnic persons. Nazarene Bible College developed a contextual educational program which focused on training multicultural ministerial students who could not attend a traditional college. This innovative program, now called the *Alliance for Ministry Education*, has expanded into many areas of the United States. It serves both ethnic and Anglo students preparing for pastoral and lay ministries at the district level.

The *Alliance* program provides classroom education for students in their cultural context. The curriculum follows that of NBC with the provision that certain alternative courses may be designed to meet specific cultural needs.

*Alliance* district training centers are operated by districts in the Church of the Nazarene. Each district training center has a board to direct its operation, fund the training center, and make recommendations to the annual *Alliance* conference. In addition, each center's board elects a director who has responsibility for daily operations.

The NBC administrative responsibility for the *Alliance* relationship rests with the academic dean, who represents the administration of NBC and serves as a consultant to district training centers.

## FACULTY

District training centers have responsibility for their own teachers, although, center directors work in consultation with NBC regarding teacher qualification and development. As a normal rule of the *Alliance for Ministry Education*, the district training centers are expected to qualify their teachers on the same basis as NBC.
